

# Local Leaders

The personal assistants to our brokers support them so they can support YOU. For 2017, our Personal Assistants of the Year were Jackie Devens (Eagle County) and Tracy Schwartz (Summit County).

Our corporate team puts on the evening and has a blast doing it! Work hard, play hard!

## THE SLIFER SMITH & FRAMPTON ANNUAL REAL ESTATE AWARDS GALA

was a night dedicated to our hard working brokers and staff and all their successes in 2017. It was also a surprise celebration for Jim Flaum, our former President and Managing Broker of 24 years.

As a company, SSFRE sold an incredible \$1.8 billion between Summit and Eagle counties. We can't have our success without the continued support of our clients, who often become lifelong friends, skiing and hiking buddies! For that, we thank you!

SSFRE's Branch Brokers offer advice and counsel to our 24 offices in Summit and Eagle counties and deserve a night of fun!

Jim Flaum received the well-deserved Lifetime Service Award from Rod Slifer, Mark Smith and Harry Frampton for his 24 years as our President and Managing Broker.

Catherine Jones Coburn was once again Eagle County's #1 broker in 2017! She is pictured (center) with her hard working assistants, Heather Losa (left) and Sarah Steffensen (right).

The SSFRE family got much bigger (by 30 people!) last year, and we wanted to recognize them at the gala with a "Welcome to Our House" theme.
