

Rakhi Madan, Key Mortgage Partners - DLC win 2017 Platinum award for Top Mortgage Broker

Buying a new home can be an overwhelming experience but *Rakhi Madan, Key Mortgage Partners - DLC* can help buyers navigate the waters. Offering industry expertise and extensive options for anyone needing a mortgage, Madan is the *Brampton Guardian* Readers' Choice Platinum winner for Top Mortgage Broker.

"As Maya Angelou once said, 'Success is liking yourself, liking what you do and liking how you do it.'" I truly believe I am in a place where I love what I do and I do it right by providing exceptional customer service and customer experience," says Madan.

This commitment to her clients is what garnered her recognition as one of the 2017 Top 50 Most Influential Women in the Mortgage Industry. In 2017, she has funded more than \$50 million in mortgages.

Rakhi Madan specializes in Residential Home mortgage - Purchase, Refinance, Equity Take Out, Second Mortgage. Her expertise also includes self-employed individuals who don't qualify with traditional income qualification. Madan specializes in assisting first-time home buyers reach their goals, including new Canadians. She notes many people believe that the bank is the only option for a loan when buying a home.

For example, New Canadian residents having recently relocated or immigrated, can qualify for default mortgage insurance with a down payment as low as 5% with income confirmation.

It is this knowledge and pledge to helping her customers that allows Madan to connect her clients with more mortgage options including the five major banks.

"I have more than 80 lenders and 7,200 mortgage options. Consumers still believe that you go to a mortgage broker if you don't get approved by a bank," she says. "We're the best kept secret. You come to a mortgage broker who will protect your interest. You are not trusting your biggest debt to a revolving door."

"I am an expert who will help manage one of your biggest debts in life," she says. "When you work with me, you have a great mortgage broker on your side. It is no different than having a family doctor, dentist, or financial planner. You need someone to manage the biggest debt of your life so you can build your assets as quickly as possible."
