JESS SAYING, I WORE THE CATSUIT FIRST!

🎯 JESSIE J let people know she's the trendsetter when it comes to squeezing into latex after spotting Vanessa White in a daring outfit.

The 27-year-old couldn't help but share a 'throwback' picture of herself in a skintight catsuit only hours after White performed in the same ensemble.

'Secret filming about a week ago. Sometimes you have to wear a latex catsuit and LIVE,' Jessie shared on Instagram yesterday after White's performance at London's Cargo club on Wednesday.

The former Saturdays singer, 26, opted for the raunchy outfit, which featured a

laced neckline, to launch her latest solo single, *Relationship Goals*.

Cheering her on were former bandmates Mollie King, Frankie Bridge and Rochelle Humes.

LEGENDARY music promoter John Giddings reveals his final Isle of Wight line-up, tells about David Bowie's hidden side and what Beyoncé and Madonna are truly like backstage...

It's the day of the big reveal - who is headlining this summer's Isle of Wight Festival and why?

Finally after three months of hanging on by the skin of my teeth I've announced The Who with special guest Richard Ashcroft.

How did you become a rock'n'roll supremo?

I left university and walked across the road to a pub and the Sex Pistols were playing. It was one of the most exciting moments of my life. When you promote a concert and see 50,000 going wild it makes you want to cry.

You were David Bowie's agent. How do you look back on his life?

His impact on modern culture is extraordinary. You can't escape his music. I remember his sense of humour. He was very funny with cracking one-liners.

You've worked with the world's biggest acts. Who is the biggest nightmare?

The Rolling Stones and U2 are some of the most professional I have dealt with. I've toured with Beyoncé, Madonna and Rihanna. They all work bloody hard.

Your biggest memory as Isle of Wight boss?

Standing on the side of the stage watching Jay Z, I couldn't imagine an audience go more wild.

The Who are the final headliners for this year's Isle of Wight Festival from June 9 to 12.

Could Florence bee with Felix?

🎯 FLORENCE WELCH sparked rumours that she is more than just friends with The Maccabees guitarist, Felix White.

The Florence + The Machine singer, 29, appeared to enjoy a back rub and a giggle when she was joined by White, 30, for a spot of sunbathing at a hotel pool in Rio de Janeiro, Brazil, on Tuesday.

Both Florence and Felix, who have been friends for years, appear to have taken their friendship to the next level as they could not keep their hands off each other, putting on a public display of affection.

NICK GRIMSHAW is

about to find out if blondes really do have more fun. The Radio 1 DJ showcased his new barnet yesterday after cracking open a bottle of peroxide. 'Me dad's gonna go mad,' 31-year-old Grimmy - who recently rocked a pink do - wrote on Instagram. Accused of copying Justin Bieber, one follower replied: 'There's only ONE Bieber... step away from the bleach.'
