## SEVEN UNFORGETTABLE HOLIDAY EXPERIENCES, DESIGNED BY TUI

Now that we've moved into the world of TUI, and joined up with our TUI family across the globe, we're able to tap into 50 years of perfecting the art of holiday design.

That means we can deliver one-of-a-kind holiday experiences you just can't get anywhere else. And, because we own these experiences, we can put our hearts into every aspect of them – from the staff, to the food, to the position of the sunbeds around the pool – and provide you with a seamless, end-to-end holiday journey.

We've crafted each experience differently, so you'll always find something that's right for you, whether you're travelling as a family, a couple, or you're going it alone.

Here's a round-up of each collection...

### LUXURY HOLIDAYS DESIGNED TO FUEL THE SENSES

Hallmarks of this sense-stirring, five-star collection include luxurious rooms, gourmet eateries, state-of-the-art family facilities, as well as West End-inspired shows and resident musicians. Each TUI SENSORI resort has an A-list postcode, and we've roped in help from big names like Jade Jagger, Jonathan Saunders, and Helena Christensen to finesse their design. You'll also find separate zones for adults and families, plus Zen-like spas and incredible pool scenes.

### FAMILY MOMENTS TOGETHER

Children splashing in the pool. Mum feeding little one in the BabyLounge. Grandad sipping a coffee in Thea's. That's what a typical TUI FAMILY LIFE day could look like, because each hotel is packed with facilities to cater to all generations. We've thought of everything, from The Hangout for teens to share-around meals. And our packed day-to-night entertainment programme brings everyone together to create memories that last.

### STYLISH HOLIDAYS JUST FOR ADULTS

We've created this range exclusively for adults, whether you're a honeymooning couple, a mum-and-daughter duo, or a group of friends with a connection that spans a lifetime. Standout settings, world-class spas, and chilled-out atmospheres let you enjoy intimate moments together, or do your own thing. Authentic à la carte restaurants and low-key bars, meanwhile, give you a reason to reconnect later on.

### EXPLORE THE MORE

TUI BLUE lets you experience the best of the destination you're in, among modern, high-quality surroundings. BLUE Guides are on hand to help you explore off the beaten track. And, back at base, you can tuck into authentic, local cuisine, tailor-make your own BLUEfit plan, or sink into a luxurious daybed by the pool. For anything you need – from a restaurant reservation to an extra pillow – just tap the BLUE App.

### SERVICE FROM THE HEART

RIU started life as one, family-run hotel in the Fifties. Two decades later, TUI moved in and a partnership was born. Our joint promise of delivering sky-high standards of service has led RIU to become one of the world's most trusted and recognisable hotel brands. The spectrum of hotels spans family-friendly ClubHotels to extravagant Riu Palace properties, so you'll see the RIU logo among lots of our collections.

### TAKING ALL INCLUSIVE TO THE NEXT LEVEL

There's All Inclusive, then there's TUI MAGIC LIFE. Drinks and snacks are served 24/7, the after-dark agenda features professional performers from all corners of the globe, and excellent sports programmes let you try things like archery and mountain biking at no extra cost. What's more, every TUI MAGIC LIFE property is pulled up next to a sandy beach.

### A NEW EXPERIENCE EVERY DAY

Your wellbeing is at the core of the ROBINSON ethos – WellFood® and WellFit® concepts sort you with nutritious meals and exercise classes, while our sports and activities line-up ticks off everything from windsurfing to golf. That said, each ROBINSON club is set in spacious grounds, and comes with a first-rate spa and indulgent dining options, so winding down is just as easy as gearing up.

# 10 REASONS TO CHOOSE **WEDDINGS WITH TUI**

Here's how we put a flawless finish on your new beginning...

- 1 YOU'RE IN EXPERT HANDS**  
TUI has been organising weddings abroad for almost two decades, so you know your wedding is in the hands of experts.
- 2 TAILORED TO YOU**  
Every couple is different. That's why we offer ceremonies in more than 100 venues in 16 countries, so you can find your perfect-fit wedding day.
- 3 PEACE OF MIND**  
All our weddings come with the armour of ATOL protection, which means your money's protected.
- 4 THE RIGHT PRICE**  
Our weddings abroad are affordable. Of course, if you want a blow-the-budget big day, we can help with that, too.
- 5 ALWAYS THERE**  
We know you won't be keeping work-day hours when it comes to daydreaming about your wedding, so our UK specialist call centre is open seven days a week.

- 6 SPECIAL EVENTS**  
Our holiday superstores often run special events dedicated to finding you the perfect wedding abroad.
- 7 INSIDER KNOWLEDGE**  
Our wedding coordinators are either based in resort or in the hotel, so they'll know your wedding destination better than the back of their hand, and be able to provide you with in-the-know advice.
- 8 IT'S ALL IN THE DETAILS**  
Your wedding coordinator will check all your documents, run through the ceremony and sort out any extras you'd like to make sure everything runs like clockwork.
- 9 MORE SPACE IN YOUR CASE**  
There's a time and a place for packing light, and your wedding isn't one of them, so our brides and grooms get an extra 5kg of luggage each.
- 10 PICTURE-PERFECT DESTINATIONS**  
Our portfolio covers the Caribbean, the USA, Asia and Europe. So you can be sure of envy-inducing photos wherever you choose to say 'I do', whether it's close to home or on tropical shores.

## A WORD FROM THE EDITOR

I'm starting this edition with two toasts. The first's for your engagement, the second's for your decision to tie the knot abroad.

You couldn't have chosen a better time to plan an overseas wedding with TUI. From perfectly polished, close-to-home settings to laidback locations on tropical shores, there's an 'I do' spot for you. We've got a stellar selection of venues which offer same-sex ceremonies, too.

Our destination portfolio recently expanded to include Lanzarote – an island of unspoilt beaches, sizzling seafood and seriously camera-

friendly landscapes. So make yourself comfortable, fill a flute, and find the perfect place for your special day.

# PLANNING YOUR DESTINATION WEDDING

The thought of planning a wedding can be overwhelming, but our **expert wedding advisors** are on hand to make the process a smooth and enjoyable one. Here are their suggestions on where to start...

## DREAM BIG

Start a Pinterest board and collect images and ideas that you love – a shortlist of destinations should start to reveal itself naturally. With that shortlist in hand, it's time to look at the venues available in each destination.

The world really is your oyster when it comes to getting married, and TUI puts it on a plate and hands you a fork.

EDITOR'S PICK

## FIND THE ONE – AGAIN

Pin as many gowns as your data allowance will allow, and factor in the cost of veils, lingerie and shoes when setting your budget. And even if you think you know exactly what style you want, try something utterly 'not you' when you get to the shops, too – you never know, it might surprise you. Above all, have fun. Once you've found 'the one', the next best thing is finding 'the one' of the wedding dress world.

## INK THE INVITES

Agreeing on numbers and who to invite is notoriously tricky, so sit down together and kick off the conversation early. If you're struggling to cut down your guest list, why not hold a drinks and nibbles party for everyone when you get home?

## BITE THE BULLET

This is the clapper board point. You can book weddings abroad by calling our Weddings Team on 0871 664 0131\* or by visiting a TUI Holiday Store.

Once you've done it, the rest of your wedding plans can roll.

\*Calls cost 10p per minute plus your phone company's access charge.

# WHICH WEDDING?

The world's your oyster on your wedding day

## UNIQUE WEDDINGS

If having your wedding half a world away from every other couple in the UK appeals, so might the thought of having a big day that's a world apart.

## WINTER WEDDINGS

Footprints in the sand and the rustle of palms might do it for some. But for others, Iceland's wintry landscape is the real scene setter.

## RELIGIOUS WEDDINGS

Overseas weddings can contain as much custom and convention as those in the UK. If one of you has been baptised or christened, you can have an Anglican Church wedding in Cyprus.

Pictures: Richard Wadley / Cesare White / Shutterstock

## BEACH WEDDINGS

Smudging footprints in the sand and having your veil carried by the sea breeze makes beach weddings the stuff of daydreams.

## LUXURY WEDDINGS

We've got a string of luxurious venues in the 'only the best of the best will do' bracket.

## RENEWAL OF VOWS

Whether it's your first anniversary or you've got married children of your own, there's never a bad time to re-live your big day.

## BLESSINGS ONBOARD

Sailing into the sunset is more than a metaphor when you have a blessing onboard a ship. Have a ceremony on a cruise and you can say your promises in front of the ship's captain or senior officer.

## SAME SEX WEDDINGS

Beachfront settings in Cyprus, luxurious private villas in Ibiza, and pretty fresco-painted town halls in Croatia are some of the venues we've lined up for symbolic same-sex ceremonies and blessings.

# YOUR HASSLE-FREE HAPPY ENDING

Thinking of getting married in Greece or Cyprus?  
If you are, we've got some exciting news to share...

We've recently teamed up with BookYourWeddingDay.com, an international online system which, for a small fee, allows you to instantly book the date and time of your wedding at your chosen venue – so there's no waiting around for confirmation. Cut out the six to eight weeks of waiting and wondering, and spend more time planning your special day, knowing the important part is all sorted. To take advantage of this new partnership, simply head to your nearest TUI Holiday Store

and speak to a Holiday Advisor, or call our expert team. They'll help you browse the options, check availability and make your booking, which will be confirmed by email straight away. Once that's done and dusted, you can get back to cake-tasting, colour-coordinating, and planning those all-important stag and hen do's.

To find out more, call our Wedding Advisors on 0871 664 0131.

# YOUR QUESTIONS ANSWERED

We know planning a wedding abroad can be a bit daunting, so we've put together a step-by-step guide to take you through all the need-to-know details. If we haven't answered your questions here, call our weddings advisors or ask a question at [tui.co.uk](http://tui.co.uk).

## WHERE WILL WE STAY?

Once you've decided on a destination, it's up to you where you stay. You can choose any of the hotels in this brochure, or team your wedding venue with a hotel from one of our other brochures.

## HOW DO WE SET THE DATE?

Once your hotel's booked, we'll send you a booking form to complete and return to us with your preferred date.

Then we'll speak to our overseas team and get your date confirmed – this can take up to eight weeks. When it's all set we'll send you a destination pack and the email address of your wedding advisor.

## WHAT LEGAL DOCUMENTS WILL WE NEED?

You'll receive a checklist with your destination pack which will tell you exactly what documents you'll need.

Our Weddings Team usually need photocopies at least 12 weeks before you fly out and you'll need to take the originals with you.

## WHO WILL CONDUCT OUR SERVICE?

The ceremony is usually a civil service led by a local registrar with two witnesses. In Cyprus, we also offer church weddings, which are Anglican services carried out by an English minister.

## CAN WE TRAVEL UNDER OUR MARRIED NAMES?

You need to travel under the name on your passport, which matches your plane tickets. If you're changing your name, you can have your passport amended once you're back home.

## WILL OUR WEDDING BE LEGALLY RECOGNISED IN THE UK?

All TUI weddings are carried out by official marriage officers in line with British law and are registered in the country where the ceremony took place.

If you want to have your marriage recorded in the UK, you can lodge your original marriage certificate with the General Register Office.

Usually, you'll get your marriage certificate while you're away, sometimes it'll be sent to you once you get home.

## DO YOU HAVE SPECIALIST WEDDING INSURANCE?

Yes, it's available as an extension to our travel insurance. For full details of the cover, give our Weddings Team a call.

## OUR GIFT TO YOU

We like to reward our wedding couples with a thank you for letting us play a part in your special day. If you make a booking for summer 2018 onwards, look out for a little something that'll be on its way.

# BEHIND THE VEIL: A TUI WEDDINGS PRODUCTION

Just like the big day, organising a wedding shoot is far from a piece of cake. From picking the perfect cast to up-with-the-lark photography sessions, there are plenty of boxes that need ticking. We're giving you a VIP sneak peek in to one of TUI's shoots in Cala Millor, Majorca. And we've gotten the lowdown from three wedding pros, to help you plan your own vows abroad.

## THIS PHOTOSHOOT BY NUMBERS

8 cans of hairspray

6 wedding dresses

500 bottles of water

50 pairs of shoes

1 vintage car

2 photographers

## MEET THE CREW

**The Producer:** Kara Lockett,  
BRACE Productions

### How long did it take to prepare for this shoot?

Scheduling a shoot is like a jigsaw puzzle, but luckily we had a few months to get ready as Jo Adamek and Lyndsey Cooper from TUI were really organised – a luxury we don't always have. This gave us more time to pick the right cast to bring our film to life.

### What did a typical day look like?

For a three-day shoot like this, we need to pack in as much as we can – including making sure the whole crew's fed. Our wake-up calls were at 5am, so we could catch the best light.

### Were there any hitches?

We wanted to snap our couples on the Tren de Soller – the old tram system linking Palma and Soller in Majorca, but on the way our bus got stuck, and we were faced with losing the light. The entire team – crew, cast and clients – pulled together, and we managed to get the shots we needed before the tram left the station.

### What's the best part of your job?

I get to experience some amazing hidden-away locations, working with incredibly welcoming locals and a talented bunch of creative people.

**Top tip:** If you can tear yourself away from the celebrations, capture some photos just before sunset. This time of day's known as the 'golden hour', as the low light's picture-perfect.

**The Make-Up Artist:** Natacha Schmitt,  
natachaweddingmakeup.co.uk

### Did Majorca's sunshine mean lots of touch ups?

Majorca's climate meant the hair and make-up didn't last quite as long as usual, so touch ups were really important. If you're getting married overseas, have travel-sized versions of your trusty products on standby and a bridesmaid on make-up watch.

### How did you get into hair and make-up?

I've been a make-up artist for over 18 years. After studying at the London College of Fashion, I worked part-time for Mac and Shu Uemura. And I teamed up with upcoming photographers and models to build my portfolio.

### Do you specialise in photo shoots?

I've been involved in everything from shoots for Elle, Grazia and Hello, to lookbooks for wedding dress designers. Plus, I also do real brides' hair and make-up for their big day.

**Top tip:** As exciting as they are, weddings – just like shoots – are long days. Products with staying power are an absolute must – after all, you need to be camera-ready from 'here comes the bride' to 'let's call it a night'. I love eyelash primers for keeping mascara intact – especially for the happy tears. And a good foundation setting spray is essential, too.

**The Stylist:** Hope Lawrie,  
hopelawrie.com

### How did you choose the wedding dress for the shoot?

I got in touch with art directors to get a heads-up on the trends, and worked with brands to find dresses that kept with the feel of the shoot and the location.

### How did the Majorcan weather impact the clothes you chose?

On the beach, one of the big issues is sand affecting the dresses' trains. Plus, keeping the models in the shade between shots is important – wedding dresses aren't the most lightweight things you can wear in that kind of heat.

### Did you have a favourite outfit?

I loved the blue chambray suits that the groom and best man wore. I think they were beach-appropriate and a modern take on a classic.

### Tell us about the life of a stylist?

My day-to-day varies hugely. I could be going to fashion shows, creating mood boards for clients, casting models or be on set at a shoot just like this one.

**Top tip:** The most essential item for any bride is the right underwear. Although the dress is the main focus, you need your lingerie to flatter your shape. Otherwise, anything you put on top just won't sit properly.

### BEFORE YOU TRAVEL

We want to make your airport experience as stress-free as possible. Here's how we do it...

**MOBILE BOARDING PASSES** – The TUI app lets you download your boarding passes onto your phone. It's free to use, and available on iPhone and Android devices.

**BAG DROP** – If you've checked in online, you can use our handy, self-service bag drop kiosks at Gatwick, Birmingham and Manchester airports. These airports can also take bags off your hands the day before – ideal if you've got an early flight.

**A HELPING HAND** – If you or someone travelling with you has a disability, or difficulty getting around, we can arrange help at the airport. It's free – you just need to let us know as soon as you book your holiday. If that's not possible, just make sure it's no later than 48 hours before your flight.

### FLIGHT EXTRAS

**SELECT YOUR SEAT** – Get priority access to online check-in and the chance to pick seats from a plan of the plane. We'll email you 90 days before your return flight with details on how to do this.

**SEAT UPGRADES** – Treat yourself to a seat with extra legroom and you'll get up to two extra inches on your seat pitch, plus access to our Select Your Seat service and priority access to online check-in. Anyone can book them – adults, children and people with

reduced mobility. There are seats with extra space, too. These ones are just for adults – they're next to an exit or by a bulkhead which means you get more room.

**EXTRA LUGGAGE** – If you think your cases might tip the scales, buy some extra space before you go. Kilos booked in advance are much cheaper than the charges at the check-in desk.

BEST FOR CULTURE... **CROATIA**

BEST FOR BEACHES... **MAURITIUS**

Historic cities are paired with dinky islands in Croatia. The word on everyone's lips is Dubrovnik – a pretty-as-a-picture walled city on the Adriatic Coast. Days can be spent wandering along the centuries-old ramparts, ticking off forts, towers and palaces as you go. In fact, the whole country's awash with charming towns – imagine Venetian architecture, cobbled streets and homely cafés. Plus, you've got a bunch of islands on the horizon, so it's easy to hop on a boat and retreat to shut-off coves.

Beaches so white they look airbrushed. Cyan-blue lagoons. And one of the biggest unbroken barrier reefs in the world. Mauritius was made for honeymoons on the sands. This tiny speck off the coast of Africa lines up plenty of half-empty stretches, with just a handful of palms for company. And the Indian Ocean isle is almost entirely cocooned by coral reefs, so the snorkelling and diving is first-rate. It's not just the beaches that play their part – inland you can explore Hindu shrines, mountains and national parks hand-in-hand.

## 6 HOTELS FOR PERFECT HONEYMOONS

Nothing spells romance like candlelit dinners and couples' massages – and that's what our adults-only TUI SENSIMAR collection is all about. Plus, our Platinum hotels are sprinkled around the world, so you can spend your days exploring Italy's charming cities or stretching out on white sand in Mexico. Opt for a TUI SENSATORI resort, and you'll be met with around-the-world flavours and entertainment worthy of the West End.

# DOUBLE UP THE ROMANCE

Our Multi-Centre holidays let you pair up two different locations for your honeymoon, or let you say your vows in one place and then jet over to another for your honeymoon.

Whether you and your other half love mixing city stays with exploring jungles, or relaxing on the beach with visiting ancient ruins – you're sure to find your perfect match. You can pick from an exciting range of destinations including Ibiza, Costa Rica, Sri Lanka, Croatia, Sorrento and Vietnam. Here's a look at some of the different options available...

## FOR ADVENTUROUS COUPLES

Your honeymoon is a great opportunity to try new experiences together, and what better way than by combining your trip with a tour that lets you really get to know the country you're in? Our tours span multiple days, and are jam-packed with unforgettable experiences. Then, spend the rest of your holiday either relaxing at the beach or discovering a city hand-in-hand.

OUR  
PICK

## VIETNAM SOUTHERN HIGHLIGHTS + NOVOTEL PHU QUOC RESORT

- Begin by cherry-picking your way around Vietnam. From exploring the Mekong Delta to bartering at the Cai Rang floating market, you'll make a bucket-load of memories.
- To round-off your trip, a stay at the stylish Novotel Phu Quoc will see you sipping cocktails beachside, taking a dip in two huge pools, and dining al fresco.

## FOR CITY-EXPLORING PAIRS

If your dream honeymoon is a tale of two halves, a dual escape could be the answer. Touch down in an exciting city, and spend a few days exploring. See the sights, shop till you drop, or get stuck in to the nightlife. For the second part, you'll be whisked off to a beach, where you can either chill out or repeat what you did in the city – just with a brand new backdrop!

### DUBROVNIK + THE DALMATIAN COAST

OUR  
PICK

- The TUI SENSIMAR Adriatic Beach is on the Dalmatian Coast. Here, you'll find lively bars and secluded beaches – a top combination for fun-loving couples.
- At the TUI SENSIMAR Kalamota Island Resort, on the car-free island of Kolocep, the peaceful atmosphere is perfect for taking time out as newlyweds.

## FOR LAID-BACK LOVERS

If you've got your heart set on a ceremony abroad but your eye is on two different destinations, our wedding and honeymoon combos mean you don't have to choose. Have a wedding ceremony you'll never forget, and then head off for your honeymoon in paradise number two. Come back twice as chilled out, and with double the amount of Instagram-worthy shots.

### SORRENTO + THE AMALFI COAST

- At the Cloisters of San Francisco, say 'I do' in a private outdoor courtyard surrounded by bougainvillea-draped archways.
- After, spend your first days as a married couple on the beautiful Amalfi Coast. Lie back on the kilometre-long stretch of sand at Maoiri, pop over to Capri for a daytrip, or sip Aperol Spritz in Positano as you watch the sunset.

OUR  
PICK

We're always adding new options to our Multi-Centre holiday line-up, from the history-filled streets of Rome to the picture-perfect beaches of St Lucia. Make sure you visit [tui.co.uk](http://tui.co.uk) or a TUI Holiday Store to discover the full range.

## ROYALTON SPECIALISES IN HAPPY EVER AFTERS

The combination of porcelain beaches and manicured gardens make for picture-perfect ceremonies at Royalton hotels. What's more, there are finishing touches to add like late-night food stations and romantic sunset dinners on the sands.

With hotels sprinkled around the Caribbean, once-in-a-lifetime weddings are made easy with Royalton...

### ROYALTON PUNTA CANA, Dominican Republic

You've got the option of not one, but three wedding gazebos when you marry at the Royalton Punta Cana. Your big day can unfold within tropical gardens, or on an aisle of wedding-dress white sand.

You can follow your vows with gourmet dining and free-flowing bubbly in one of the hotel's restaurants. With a terrace dining set-up, a row of palms will be the only thing separating your party from the ocean.

### ROYALTON WHITE SANDS, Jamaica

Bamboo canopies and flower-decorated arches set the scene for simple ceremonies at the Royalton White Sands. It's nestled on the shore of Montego Bay, so you can make your first toast overlooking the pool or the Caribbean Sea.

If you've got your heart set on a Jamaican wedding, the Royalton Negril made its debut in 2016. Here, you can walk down the aisle on a shimmering seven-mile-long beach.

### ROYALTON ST LUCIA, St Lucia

When this place opened in autumn 2016, it unveiled a romantic secluded cove, surrounded by tropical greenery.

Post-vows, you can take advantage of luxuries like exclusive DreamBeds™ and around-the-clock concierge service. And because it's brand-new, everything looks fresh out the wrapping.

## OUR EXCLUSIVE GIFT TO YOU...

Book your big day with Royalton and you'll get complimentary access to the hydrotherapy circuit for your entire stay.\*

# CELEBRATE YOUR VOWS

On a cruise, you make memories to last a lifetime, so how better to celebrate the forever vows you've made to each other than onboard one of our ships? We've got three packages to choose from, all with plenty of little luxuries included.

## POP THE CORK WITH SILVER - £200

Our Silver package has everything you need to make your day extra special. It includes the Celebration of Vows service, a floral bouquet, a boutonhole, a bottle of Champagne, and a cake. Plus, there'll be a photograph of the two of you to keep. Also, you'll spend an evening tucking in to dinner on the Captain's table, we'll put an announcement in Cruise News, and reserve you VIP seats at one of the shows. To finish off, you'll have a one-to-one session with our jewellery and watch specialist, and receive a discount on any purchases.

## TAKE LUXURY TO THE GOLD LEVEL - £250

Up the ante with our stylish Gold package, which'll have you feeling like a VIP. On top of all the Silver perks, you'll be treated to plenty of additional finishing touches. You'll receive a bouquet of flowers and chocolate-dipped strawberries in your cabin, as well as a handwritten congratulations card from the Captain. Plus, for one evening you'll have an à la carte meal on us at a speciality restaurant. To top things off, we'll press three items of clothing for each of you, so you're suited, booted and dressed to impress.

## PUSH THE BOAT OUT WITH PLATINUM - £400

Opt for a no-expense-spared celebration with our Platinum package – as well as all the Silver and Gold extras, there are even more top-of-the-range trimmings. For starters, you'll polish off a Champagne breakfast in bed. And, you'll both have your pick of a luxurious spa treatment, to make sure you're feeling as pampered as possible. We'll keep the treats coming with an invite to an exclusive event – but only after you've polished off afternoon tea. The icing on the cake will be a special anniversary dinner with a senior officer, and 10 photos of your celebration to keep for the album.

For more information or to book a package, head to [tui.co.uk/cruise](https://tui.co.uk/cruise) or pop in to one of our TUI Holiday Stores. Alternatively, you can get in touch with the Social and Welfare Host or Hostess once you're onboard.

# MEXICO

The land of tequila and mariachi knows how to throw a party.

In Mexico, the wedding party is exactly that. It's a big celebration. This is the country where you can smash a piñata at the wedding breakfast, make toasts with tequila, and have your first dance to a live Mariachi band.

## THE CARIBBEAN COAST

Your big day can unfold on one of 2 coasts in Mexico. The Caribbean Coast is home to Cancun, where you'll find a beach as high shine as your engagement ring. The sand here is made up from fossil fragments that lustre when they catch the sun. Further south, there's the Riviera Maya, where 5-star hotels nuzzle up to silky beaches. These are the places where you can walk down an aisle of tikki torches before saying your vows on the sand.

## THE PACIFIC COAST

Cloaked in mountain peaks, the Pacific Coast lends itself naturally to adventures, so it makes sense to begin the biggest one of your life here. Make your promises on the unspoilt beaches of Nuevo Vallarta and you'll have panoramic views of the Bay of Banderas as your backdrop.

## NOTEWORTHY POST-NUPTIALS

Honeymoons in Mexico are filled with red-letter moments. You can take speedboats out to desert islands, snorkel together in coral reefs, and hike rainforest trails.

# COSTA RICA

Start your happily ever after in the world's happiest country.

If you're a couple that likes adventure, a wedding in Costa Rica is just the ticket. This rainforest-clad country may be small, but it packs a punch when it comes to new experiences. Say your vows here and you can follow the big day trekking up smouldering volcanoes, rafting down white-water rivers, and zip-lining through toucan-filled jungle.

## HAPPY DAYS

In a poll of the happiest places to live, this Central American country came out on top. It's no surprise when you consider everything it has to offer – from talc-soft beaches to wildlife worthy of a David Attenborough special. Costa Ricans – AKA Ticos – are firm believers in Pura Vida. This popular motto means no stress. Exactly what you need when you're planning to make the promise of a lifetime.

## TIE THE KNOTTICO-STYLE

If you fancy injecting some Costa Rican culture into your ceremony, brides traditionally walk down the aisle in a silky black dress, while grooms don an embroidered shirt. Another local tradition calls for the groom to surprise serenade the bride in the days leading up to the wedding, so keep an ear out for your fiancé belting out those Stevie Wonder hits.

## THE AFTER PARTY

Here, receptions are as lively as the scenery is colourful. Casados make a popular wedding feast. Consisting of meat or fish with rice and beans, these carb-heavy meals will fuel your guests' all-night dancing. Once the toasts have been made, the music's turned up for a big beach party that lasts from sunset 'til sunrise.

# ST LUCIA

Let St Lucia's romantic vistas provide the backdrop to your big day.

The majestic Twin Pitons. Black and white sand beaches. A bustling north and a go-slow south. St Lucia is an island of perfect matches, so there's no better place to start your life as a two. It majors in dramatic scenery, with jungle-clad mountains brushing shoulders with sugar-white beaches. Some say that's how it got its nickname, Helen of the West, after mythical beauty, Helen of Troy.

### STANDOUT SETTINGS

St Lucia lends itself well to all fresco weddings. You can make your promises by the lapping waves of the Caribbean Sea, or in the heart of a tropical rainforest. On the west coast, the quiet bays are a wedding photographer's dream – ivory sands merge into thick jungle-covered hillside. Wherever you pick, you'll have the island's picture-perfect Pitons in sight.

### A HONEYMOON FAVOURITE

As for honeymoons, St Lucia is a front-runner. Days can be spent snorkelling in gin-clear waters, showering under beach waterfalls or enjoying ocean-view massages in a 5-star hotel. Away from the sands, things take an adventurous turn, with everything from rainforest hikes and aerial tram rides to scuba diving.

# DOMINICAN REPUBLIC

Fairy-tale beach weddings are de rigeur in the Dominican Republic.

Tropical shores are ten-a-penny in the Dominican Republic. In fact, this is the country that practically put Caribbean beach weddings on the map. Ceremonies are simple in this part of the world, and usually play out under a pergola on porcelain sands, with coconut palms for shade and just the sound of the waves in the background.

### BEAUTIFUL RECEPTIONS

Newlyweds can retreat to 5-star luxury once they've promised to have and to hold. Lots of weddings in the Dominican Republic take place on private beaches belonging to lavish seafront hotels. This makes for elegant receptions, with gourmet dining and flowing bottles of fizz.

### TROPICAL SURROUNDINGS

The Dominican Republic is perfect for exploring as a twosome. The heart of the country is defined by vast jungle, which cocoons waterfalls, tropical blooms, and exotic wildlife – there are around 290 different species of bird alone here. Away from the rainforest interiors, you'll find villages painted in every colour of the rainbow. Make time to wander hand-in-hand through Santa Domingo, the nation's Colonial capital. It's 16th-century old quarter hasn't been touched by time.

# ARUBA

For big days full of smiles, marry on the Happy Island.

Aruba weddings come with something of a high-shine finish. Barefoot beach blessings and luxurious after-parties are de rigueur here, because the island has some of the best sandy stretches on the planet and a huge range of exclusive hotels.

### CITY AND COAST

Ceremonies on the island begin in the Civil Town House in Oranjestad. It's a spearmint green colonial-style building that'll add a touch of rare to your wedding album. Once you've signed your names on the register, you can have a second blessing on the beach. Walk down an aisle of sand and repeat your promises or your own self-penned vows as the Caribbean Sea stirs in the background.

### LUXURY HONEYMOONS

VIP tends to be the theme of honeymoons on this island. In Palm Beach, the first nights of the rest of your life can be spent in some of the world's best restaurants. Fork through lobster and scallops, and cook your own fillet steak on sizzling lava stones. Daytimes, meanwhile, can be spent sailing the coast on catamarans or sipping cocktails on the piers that are stilted above the Caribbean Sea.

# JAMAICA

Wedding days are full-colour on this no-worries island.

Jamaica has the biggest personality of all the Caribbean islands and, as a result, even white weddings are colourful here. After all, this is the country where you can get married on horseback in the grounds of a plantation, or in the space between the stories at an antiques museum. Most wedding ceremonies, though, take place on the beach. You can have a matter of metres between the hem of your wedding dress and the Caribbean Sea when you say your vows.

### SPICED-UP RECEPTIONS

Wedding breakfasts are anything but pale in Jamaica. The 5-star hotels in this part of the world spin traditional dishes into nouvelle cuisine. Think along the lines of akee and salt fish fillets for appetisers and Jamaican steak for entrees.

When it comes to the wedding cake, you can have tiers of sticky, boozy, fruit cake. Celebrations run through Jamaica's veins. Toast, re-toast, and nightcap your way through your post-nuptial party with the local rum.

### HONEYMOONS TO REMEMBER

Jamaican honeymoons play out in high definition rather than soft cell. In Montego Bay, cliff jumpers divert your attention from the sunset at dusk. And Dunn's River Falls takes the 'im' from the front of 'possible', as you find out together how to climb a waterfall.

# FLORIDA

Take your pick from beaches, theme parks and plantation house venues.

If a storybook wedding is going to happen anywhere, it'll take place in the home of fairytales. In Florida, you can arrive at your wedding in Cinderella's coach. And you can promise to have and to hold with the turrets of Disney's castle right behind you.

## LAWNS AND LAKES

Not every Florida wedding has to have a cartoon theme, though. Even at Disney, you can pledge your forever beneath a gazebo on a croquet lawn, or on the banks of Lake Pleasant, at Disney BoardWalk Resort.

## VINTAGE VENUES

Elsewhere in the Sunshine State, Southern belle-style weddings can be had in 19th-century wedding chapels. Or you can have a vintage ceremony in the garden of a Twenties estate house.

## OUT OF THE BOX BIG DAYS

You can use your imagination when it comes to wedding receptions here. Have a safari-themed reception at Animal Kingdom, or an underwater party in the aquarium-style Living Seas Salon. Alternatively, keep things classic with a garden party. Take your first dance in a lantern-lit pavilion, and see out your first night as man and wife with Fourth of July-style fireworks.

## CYPRESS GROVE

Florida | Orlando

- Lakeside gazebo
- Garden setting
- Plantation house

If a garden wedding takes your fancy, Cypress Grove could be just what you're looking for. A picture-book 1920s estate set on the edge of Orlando's Lake Jessamine, it exudes natural beauty. To mark the start of your ceremony, you'll make an entrance through magnolia-flanked gates, before driving along a tree-lined boulevard to the plantation house. All snow-white walls, graceful pillars and traditional green window shutters, it's every inch the southern beauty. The ceremony itself will be held in a gazebo on the lakeside, with your guests seated on the lawns looking out over the water. Once you've swapped vows, you can make the most of the gardens by posing for photographs. Stand under the towering, moss-draped cypress trees or smile for the camera on the lawns that run down to the lake. Later, to set the seal on the occasion, you and your guests can enjoy cake and non-alcoholic fizz inside the mansion.

**YOUR BIG DAY PACKAGE:** ■ Wedding cake ■ Sparkling wine for toast ■ Transport to and from Court House to collect marriage licence

Weddings from **£1036\***

Available May - October 2019

## LEU GARDENS

Florida | Orlando

- 50-acre botanical gardens
- Beautiful wooden gazebo
- Seasonal wild flowers

Tucked away in northeast Orlando, the Leu Gardens have exotic weddings written all over them. They're spread over 50 acres and filled with flowers, fountains, ponds and lawns, making them a real botanical paradise. As for where the ceremony itself takes place, that's up to you. The most popular spot is a wooden gazebo which takes pride of place in the middle of the rose garden. It's carved from white wood and infused with the aroma of the surrounding blooms. Alternatively, you can say 'I do' on the lawn in front of the whitewashed plantation house, next to the Leu Gardens' floral clock, or on a pretty cobbled patio. You're spoilt for choice when it comes to photo settings, too. After your ceremony, take a stroll with your photographer to pick the best ones. Some of your options include under the shade of an oak tree, along camellia-lined pathways or beside a tropical stream.

**YOUR BIG DAY PACKAGE:** ■ Wedding ceremony and location ■ Planning and administration ■ Registrar ■ Marriage certificate/licence ■ Flowers for bride and groom ■ Transport to and from the Court House to collect marriage licence ■ Wedding coordinator

# LANZAROTE

Marry in Lanzarote, and you'll have cream-coloured beaches and mountain scenery for guests.

Lanzarote comes with a huge amount of holiday know-how. After all, it's been a hotspot for tourists seeking sun, sand and sangria since the Seventies. With a winning mix of postcard-perfect beaches, impressive lunar landscapes and a dining scene so gourmet it keeps France on its toes, the fourth-smallest Canary Island packs a lot in.

### SUBLIME SCENERY

Saying 'I do' to a TUI Wedding will whisk you to the southern coastline, which is home to most of the big-name towns and comes with plenty of spots to hang your veil. To the east, there's Costa Tegui, which gives you a handful of horseshoe-shaped bays. They're backed by a promenade that's ideal for strolling along together.

### ONE-SIZE-FITS-ALL NIGHTLIFE

Head down the coast, and you'll come across pretty Playa Blanca. The buttermilk-coloured beach has the Blue Flag seal of approval, and there's a generous quota of bars for carrying on the after-party. From up-all-night Irish pubs to sophisticated wine bars, there'll be a late-night haunt to suit every guest.

### WEDDING-PERFECT WEATHER

Lanzarote's not nicknamed the 'Island of Eternal Spring' for nothing. Its weather's renowned for being really reliable, so you've got a great chance of exchanging your vows under the rays of the Canarian sun, whichever season you choose to tie the knot in.

# CYPRUS

Cyprus is fast becoming the destination of choice for overseas nuptials.

Cyprus has been a love nest for centuries. According to legend, the island is the birthplace of the Goddess of Love, Aphrodite. It's thought the immortal temptress enjoyed secret forest trysts here with a string of ancient gods, like Ares and Adonis. Fast forward a bit, and the Roman general, Mark Antony, is said to have skipped the jewellery and presented the island to Cleopatra as a token of his love and affection.

## A COUPLES' FAVOURITE

Today, this place still spells romance. Here, you get to whisper sweet nothings beside an 800-kilometre-long coastline, and picnic in pine forests straight out of a storybook.

## WEDDING VENUES

Ceremonies can take place in town halls sandwiched between bursts of pink bougainvillea, or in peaceful hotel gardens that overlook the shores. Cyprus is also a really popular place for Anglican Church weddings. If you get wed in Paphos, you've got the chapels of St Paul's Pillar and St George's to choose from.

## EXPLORING THE ISLAND

On the days you're not tying the knot, you can spend your time exploring the Cypriot countryside. Nights are also made for outings à deux, with spots like Limassol specialising in lantern-lit tables, light jazz and sea views.

And you can turn down the lights and say 'I do' under the flattering flickers of candle light. After the ceremony, you can enjoy your wedding reception in one of Paralimni's restaurants or tavernas. Your wedding coordinator will know the best ones, and they'll be happy to help you make your choice when you arrive in resort. Grilled fish is a speciality in these parts, and red mullet, calamari and sea bass feature on most menus.

The set up for the ceremony keeps you close to nature. You'll make your promises by a wooden table and your witnesses can sit on logs. ## KALITHEA SPRINGS

Rhodes | Kalithea

# MALTA

Big days don't get much sweeter than in the Land of Honey.

You'll be adding your own entry to a timeline that dates back millions of years when you get married in Malta. The island's chronology is thought to have started in the megalithic period, and the ancient temples on the Maltese island of Gozo predate the Egyptian pyramids. Malta's history comes to life in some of the island's wedding venues. You can say your vows in the grounds of a restored 14th-century farm house and then move inside to toast with the house's own-brand Champagne. You can also wed beneath a gilded chandelier in the ballroom of an 18th-century stately home.

## LUXURY HOTELS

Maltese hotels know how to create a best-room-in-the-house feel. The most bespoke hotels here offer incense menus and concierge services. Spend your wedding night in one of these and you can wake up to a Champagne breakfast in bed.

Olu Deniz Beach

# TURKEY

Get married in sight of some of the world's bluest seas.

Weddings are warm in Turkey. There's a tally of places you can say your vows with the sun on your skin. There are leafy hotel gardens, bright poolside terraces, and wrought-iron gazebos by the side of lakes. For cloudless skies and light breezes that bother your veil, meanwhile, you can become newlyweds in the pine-clad hills of Olu Deniz.

## BLUE LAGOON WEDDINGS

If you've always pictured an on-location wedding, Turkey has the Blue Lagoon. If you've already got your something borrowed, old and new, the water here can count as your blue. This protected bay is a piercing turquoise colour. Have your ceremony at dusk and you can wed as the sunset turns the waters of the nature reserve the colour of your wedding band.

## POST-MARRIAGE MEZZE

Turkey lends itself well to wedding celebrations. You can make toasts with raki and animate your wedding breakfast guests with sharing platters of mezze.

## SIGHTSEEING

Honeymoons in this country are memory-makers. Bath in the hot springs at Pamukkale, explore the ancient ruins of Ephesus, and spoil yourselves with lengthy Turkish baths and oil massages in traditional hamams. The country's a great staging area for pre-wedding planning, too. Your husband-to-be can prepare for the big day with an authentic Turkish shave, while you work on the blushing bride look by the pool.

# IBIZA

The Med's White Isle was made for Bohemian blessings.

When Billy Idol sang about it being a nice day for a white wedding, he may as well have been talking about Ibiza. Blanched sands and sugar cube villages have given this bohemian island its 'White Isle' nickname, and weddings tend to follow the same virgin colour scheme.

## BEACH BLESSINGS

Blessings usually take place by the beach, in the early evening, when temperatures turn from hot to balmy. If you're planning a close-knit ceremony, Cala Carbo would suit you. It's a snug sandy cove that's screened from the rest of the world by rocky headland. If you've got a lot of guests, Cala Tarida would be a better fit. It's the longest ribbon of sand on the west coast and its water is a blazing blue.

## THE WEDDING PARTY

As far as post-nuptial festivities go, you're in safe hands with Ibiza. Celebrations are part of the fabric of this island. For an effortless wedding reception, have a beach party with a barbecue. Or pile into an authentic restaurant where your guests can share table-loads of tapas and sangria. Alternatively, hit Ibiza's legendary clubs and stay up to see the sunrise on your first day of married life.

Sensatori Resort Ibiza is in sleepy Cala Tarida, on the west coast of the island. It overlooks a sandy beach and the Mediterranean Sea and, because it's set on a hillside, it enjoys some of the best sunsets in the Balearics. The whole place has been designed to make the most of the views. There's a rooftop bar, which offers uninterrupted views of the sun setting behind the sea in the evenings. It's a great spot to relax with a cocktail after dinner. The resort has a look and feel that's in keeping with the natural beauty of the local area. Low-rise buildings are painted chalk-white, and accents of local cobbled stone are present throughout the complex.

This resort is located on a steep hill with no lift access to the main blocks.

Cala Millor, Majorca

# MAJORCA

Paint a picture-perfect wedding on the island of Majorca

Majorca's good looks have earned it the nickname Jewel Of The Med, so it's a natural choice for island weddings. Marriages here begin on soft, sandy beaches, in the gardens of blush-coloured country mansions and at chic marinas with ocean views.

## AN ARTIST'S MUSE

The island's rolling green hills are dotted with honey-hued cottages and cotton-white blossom trees. And on the coast, swathes of sand line emerald waters. So it's no wonder Majorca has inspired artists for centuries. World-famous painter Joan Miró fell in love with the island and spent most of his life here.

## NIGHT FEVER

With a festival for every month of the year, celebrating is Majorca's forte. Wedding feasts here put freshly caught seafood on the menu and the wine comes straight from an island vineyard. Set the date for June's Night Of Fire and you'll see the skies light up with fireworks while locals dance in the streets.

## EXPLORING THE ISLAND

Newlyweds have their pick of pretty honeymoon destinations. Palma is dominated by a grand Gothic cathedral and has a maze of cobbled streets to get lost in hand-in-hand. In the north, the rugged limestone cliffs are made for climbing, caving and mountain biking. If lazy days on the beach pull your heartstrings, you've got more than 60 with a Blue Flag to their name.

Positano, Campania, Italy

# ITALY

Write your own love story in the land that invented them.

Casanova, Cupid, St Valentine – it's no coincidence Italy has given the world some of its greatest romantics. It only takes one look at the country to understand the power it has on the heart strings. It specialises in stop-and-stare scenery, with mountains spilling down towards blush-coloured towns, and cities laced with extravagant architecture.

## SETTINGS FOR SORE EYES

Become husband and wife in Italy and you can swap promises in places like Positano, where villas painted in peach, pink and vanilla tumble down towards a bay. The town hall here has an outdoor terrace, which provides views of the Amalfi Coast that have to be seen to be believed. In other parts of the coast, you can marry in hushed cloisters.

## COSMOPOLITAN HONEYMOONS

Sorrento was made for couples. Lazy morning lie-ins can be followed by lingering coffees in pavement cafes, pit-stops at gelato shops, and day trips to the spas of Ischia and the island of Capri. As for evenings out, they begin in barely-lit restaurants and end in old-fashioned wine bars.

## A MATCH MADE IN VENICE

Venice's Grand Canal runs through the heart of the city and is a focal point for weddings here. This is the place where you can keep it intimate, with a personalised gondola wedding for two. Or, embrace Italian glamour in a lavish gothic palace on the canal banks, complete with 18th-century artworks, elegant chandeliers and baroque features.

# CROATIA

If you want your wedding album to run rings around everyone else's, marry in Croatia.

Weddings in Croatia are a little less ordinary. The country is only just starting to surface as a place to tie the knot. As such, wedding albums made here can be as individual as a signature.

## HISTORIC SETTINGS

When you make your promises in Dubrovnik you can have your first photographs as man and wife taken against the inimitable backdrop of red-roofed houses and historical city walls. In Porec, there are UNESCO World Heritage Sites to squeeze into the scenes. And in Rovinj, there's a pretty harbour where fishing boats bob.

## INDIVIDUAL STYLE

Wedding breakfasts can be customised in Croatia, too. Take your first dance to the sound of traditional tamburica folk music, played on strings. Or lift a glass of plummy rakija brandy to make your toasts.

## BACK TO NATURE

Croatia and honeymoons go hand in hand as well. The thousand-plus islands that pepper the country's coastline were made for escapology. When you're on these isles, all that matters is Mr, Mrs and the sand and the sea. You can also drop off the grid in Croatia's national parks. In places like Krka National Park, fir trees and waterfalls will be the only company you'll keep outside of one another.

The Istrian Riviera is making a name for itself as the new Tuscany. And Porec is right in the centre of it. The town hall itself is in the heart of the old town, less than a minute's walk from the UNESCO World Heritage Euphrasian Basilica. The 16<sup>th</sup>-century bell tower and spire of this building make a memorable backdrop for wedding photographs, as does the harbour, which is a minute's walk in the opposite direction. Fishing and pleasure boats bob in the moorings here, and there's a pretty waterside promenade that's colonnaded with red-roofed houses and Roman-style villas. Porec's a great place for wedding breakfasts, too. There are lots of special places on the waterfront. Some offer a white table and candlelight experience, others serve hearty home-cooked food in rustic surroundings.

Choose to have the cobbled square as your backdrop, or wander down to the beach where the azure Adriatic Sea sets the scene. # ICELAND

Tie the knot in a remarkable winter wonderland.

Steaming lagoons, tumbling waterfalls, explosive volcanoes... few countries pack in as many natural wonders as Iceland. The spectacular island, which hovers just below the Arctic Circle, is one of the most geologically active places in the world. What's more, in the winter months it's one of your best bets for catching a glimpse of the elusive Northern Lights. So if you're looking for a wedding destination with that extra je ne sais quoi, it's difficult to do any better.

## LAND OF FIRE AND ICE

Iceland's wedding venues really let you make the most of the country's great outdoors. You can say your vows in Thingvellir National Park, which plays host to the biggest lake on the island. Or you could opt for the iconic Blue Lagoon, whose geothermal waters are a toasty 37 degrees. It doesn't end there, either. For something completely unique, how about heading up to the summit of Eyjafjallajökull, one of the world's most famous volcanoes?

## A COSMOPOLITAN CAPITAL

Choose to get married in Iceland, and you'll get the chance to spend some time in the capital city of Reykjavik. This cute, colourful city offers up independent coffee shops, stylish cocktail bars and incredible restaurants – all against a backdrop of snowy mountains and the Atlantic Ocean.

There's an in-water bar, where you can get the likes of sparkling wine and beer, plus a spa area, where you can treat yourself to in-water massages and facials. # A-Z GUIDE

We understand the smallprint is the last thing anyone wants to read. But we believe it's really important to be clear in the information we give you. This A-Z outlines to what extent we would be liable, if at all. If any part of this guide isn't valid or can't be enforced, the rest will still apply. Not everything here will apply to you but a lot of it will so you'll need to read this guide before you book. You'll also need to read Our Agreement With You and Your Agreement With Us. Together, they explain every aspect of your holiday. If you need information in another format please contact our Customer Welfare Team on 0203 451 2585. Calls from UK landlines cost the standard rate, but calls from mobiles may be higher. Check with your network provider.

We'll let you know who the airline is when we send your tickets. If there are changes after that point, we'll tell you before you check in or at the boarding gate. When you come across anything to do with flights in this guide, we'll usually be talking about flights with TUI. So if you're flying with another airline, check their conditions, too. From time to time, we need to change airlines or plane types but this isn't classed as a 'Major Change' to your holiday.

## A

**Accuracy** We published our latest brochures in April 2018. Our prices and information in those brochures were accurate on that date but they may have changed since then. We always check our properties regularly to make sure we're giving you accurate information and we'll tell you of any changes we know about when you book. If you've already booked, we'll tell you about any major changes we're aware of as soon as we can. Bear in mind public holidays and religious festivals affect whether or not facilities are available. Also, it may be the case some facilities aren't managed directly by the hotel and they could close without notice.

**Adjacent Rooms** These are two rooms next to each other and usually share some facilities, such as an entrance or a bathroom. They're available at selected accommodation and for a small supplement. Facilities can vary so check the hotel description. When you're booking, the room description will have ADJ next to it. Depending on where you're staying, you may need to book two rooms to get this room type. Please ask when you book.

**Adult Properties** These are hotels that cater really well for adults in terms of facilities and destination. They include our TUI Sensimar, Gold and Exclusively for Adults ranges, where the minimum age is 16 or 18. You must not book children to stay at any of these hotels under any circumstances as bookings for children will not be accepted.

**Advanced Passenger Information** You, and all members of your party, must tell us certain information that we'll send to government authorities and border control and security agencies for the purpose of immigration, security and counter terrorism. This is known as Advanced Passenger Information, or APIS. It may also be referred to as E-Borders in the United Kingdom. In the US this may be referred to as Secure Flight and applies for flights to and from the US plus certain flights that overfly the US. The information you must provide will include, but not be limited to, your full name - as shown in your passport or travel document, gender, date of birth, travel document type, number, country of issue and expiry date. And for travel to the United States, your country of residence and the address for your first night's stay too. You must provide this information to the airline between 6 months and 24 hours before departure, or between 6 months and 3 days before departure if you're going to the United States, Mexico or Jamaica. For TUI flights you can do this by visiting <https://flightextrastui.co.uk> or by calling 0203 451 2706. Calls from UK landlines cost the standard rate, but from mobiles may be higher. Check with your network provider. You'll need your booking reference number, the lead passenger's surname and your date of departure to access the site.

**Age Ranges** No under-18s can travel on their own. For our hotels, 2 to 12-year-olds are classed as children unless we say otherwise. For self-catering properties and any type of property in Florida, it's 2 to 16 inclusive.

**Airline Rules** Charter airlines aren't allowed to carry certain nationals to and from their country of origin. This is due to licensing law restrictions with overseas aviation authorities. The current licensing laws, as of 15th November 2010, do not allow TUI Group airlines to carry nationals of the following countries on their operating routes – Brazil, Kenya, and Morocco. Some other restrictions also apply...

- Cuban nationals may travel to any international Cuban airport, except Cayo Largo and Cayo Coco, and must travel as part of an inclusive tour package.

- Indian and Turkish passport holders can only travel on inclusive tour package arrangements. Please check with your embassy or consulate before you book.

- If you're going to Goa, Kerala and Sri Lanka, on an Indian, Pakistani, Sri Lankan, Nepalese or Bangladeshi passport you can't fly on British charter flights. This doesn't apply if you have a Pakistani, Sri Lankan, Nepalese or Bangladeshi passport but your spouse has a foreign, non-Indian passport.

**Airport Hotels and Parking** - UK The companies that provide the hotels and car parks will have their own terms of use which will also apply to you. We can get you a copy of these if you need one, just ask **Airport Lounges** You can pay for UK airport lounge access after you've booked, subject to availability. You can do this via a TUI Holiday Store, Manage My Booking or by logging into your Customer Account.

**Airport Service** In most airports overseas, our Holiday Advisors aren't allowed past check-in or into the arrivals hall but we will have staff waiting to greet you outside the airport.

**Alcohol** During your flight you can only drink the alcohol our staff serve you.

## All Inclusive Hotels

You may need to wear a wristband or carry some ID to get the benefits of your package. For a full description of what's included, check the hotel description. Times for inclusive drinks, meals and snacks vary. Our All Inclusive package may not include bottled water, imported drinks, à la carte meals, or some speciality

dishes. Some restaurants expect you to reserve a table and will be subject to availability. Not all bars and restaurants operate on an All Inclusive basis. Also, there may be cash bars once All Inclusive bars close. Bear in mind, under-18s won't be served alcohol.

You should also be aware that we, and the hotels, may confiscate wristbands and IDs from guests who abuse the All Inclusive benefits.

You may be charged for motorised sports, and there are time limits or age and experience restrictions on some of these activities. You may have to pay a deposit to hire equipment. Things like classes and beauty treatments may be included in the price but there'll be a limit on how many sessions you can take. Safety deposit boxes may not be included and you'll need to pay for things like telephone calls and excursions.

All Inclusive packages end when you check out of your room. In some cases you can pay to keep using the facilities. If there's a delay to your flight home and you have to spend extra time in the resort, any refreshments will be in line with the airline's instructions – not the board basis of your hotel.

One last thing, you may find timings will change for things like happy hours in bars and dining times.

**Artist Impressions** These, together with any computer-generated images, are there to give you an idea of how the property will look.

## B

**Baby Club** These are available at TUI Family Life and selected Kids Club by TUI Family Life properties. There is always a minimum of one NNEB, CACHE or equivalent qualified staff member present. Trained staff look after under-threes for two-hour sessions throughout the day. Sessions in Baby Club cost £10 each and you can book them in the UK or in resort if available. Plus there's a discount when you book 3,6,9 or 12 two-hour sessions in the UK. Nine sessions or more can only be booked on two week holidays.

Bear in mind, wherever the Baby Club, if your child's ill, they won't be accepted in the Baby Club. Also, you'll need to supply your own nappies and prepared feeds. We can't guarantee standards at Baby Clubs that aren't run by us.

**Balconies** If the description refers to a French or Juliette balcony, this means that your room will have glass doors but you won't necessarily be able to go out onto the balcony as it'll be shallow in depth. If you're on the ground floor, you'll get a terrace instead of a balcony. Health and safety restrictions mean some hotels or apartments may not put you on a high floor if you have small children. Never leave your children unattended on your balcony.

**Banned Airlines** To improve safety, the European Commission has banned some airlines from operating in European airspace. In line with EU directive (EC) no. 2111/2005, Article 9, we need to make you aware of the list of banned airlines. See [http://ec.europa.eu/transport/modes/air/safety/air-ban/search\\_en](http://ec.europa.eu/transport/modes/air/safety/air-ban/search_en)

**Bars** If a hotel has a bar you may hear some noise outside licensing hours.

**Beaches** Many of the beaches in our resorts have been awarded the Foundation for Environmental Education's Blue Flag, for beaches and marinas that meet its high standards of hygiene, cleanliness, safety and environmental management. For details, visit [www.blueflag.org](http://www.blueflag.org).

When you're on the beach, make sure you check any flag warning systems and take local conditions into account. You'll also need to supervise children at all times as most beaches won't have a lifeguard. You may find that public beaches are closed at certain times, particularly in low season. Beach closures are carried out by local authorities so are beyond our control. One more thing, you may need to pay to use some beaches, especially in Italy.

**Building Work** From time to time, building work is unavoidable, particularly where hotels are open all year round, and it can be noisy. If we're aware of any work, we'll let you know as soon as possible if we think it'll affect your holiday. This can be difficult as we don't control the work and we're not always told when it'll happen and how long it will last. But if we think it'll have a significant effect, you'll have the option of a refund or an alternative holiday, as outlined under 'Major changes to your holiday' in Our Agreement With You.

**Bungalows** If the description of your accommodation refers to a bungalow, this means that you may be located in an accommodation block within an annex building separate from the main building which may not necessarily be single storey or detached.

## C

### Check-in

**For Your Flight** We recommend you arrive at the airport at least two hours before your scheduled departure time. For flights over seven hours, it's three hours before. Regardless of the length of your flight, you need to have completed check-in at least an hour before departure.

UK airlines need to carry out enhanced security screening from certain destinations for return flights to the United Kingdom. If this applies to your flight, you'll be told whilst you're on holiday as it may mean that you need to check in a bit earlier. You might need to be at the boarding gate earlier, too. If we think you may be under the influence of alcohol or pose a threat to passengers or crew, you won't be able to fly. The same applies if you smoke, use insulting or abusive words before or after you board. If that happens, we won't be responsible for your holiday arrangements and we won't give you a refund, pay compensation, or cover any other costs. We may even seek compensation from you for any loss caused by your behaviour. This includes having to divert the plane. It's also a criminal offence to cause disruption, so you may be prosecuted. Airlines may also share details about your behaviour with other airlines, which could affect your future trips.

**Online Check-in** You'll be allocated your seats when you check in online. If you don't like the seats allocated, you can pay to select your seat. Sometimes we may need to change the seat allocated to you for operational or safety reasons or for persons with reduced mobility. Boarding cards must be printed on A4 paper and be clearly legible with no rips or tears. You must drop your bags off before bag drop closes, 45 minutes before your flight time. Just so you know, if you choose not to use our online check-in service, we reserve the right to charge a fee for airport check-in. Please also see Section 14 of Our Agreement with You and Yours with Us.

**For Your Accommodation** Check-in time is usually 3pm to 4pm for hotels. Depending on when your flight arrives, you may miss a meal if you've booked All Inclusive, Half or Full Board. If your flight arrives late at night, this is classed as the first night of your holiday and your room will be ready when you arrive. If you arrive in the early hours of the morning the day after your flight departed, your room may not be available until the hotel's normal check-in time. You'll be able to use the hotel's facilities while you wait. And because you're checking in later on your first day you'll get to keep your room on the last day of your stay.

## Check-out

**For Your Accommodation** On the last day of your holiday, you'll usually have to leave your room by mid-morning or noon. You may be able to keep your accommodation for longer, but there could be a charge. Depending on the time of your flight, you may miss a meal at your hotel. Also, you might not be able to use some of the facilities or the full All Inclusive package.

If your flight leaves on or after midnight, you'll have to check out of your hotel room by midday the previous day. There'll usually be a courtesy room or apartment available for you where you can change and leave your bags until it's time to leave. You can pay for a late check-out room, which are normally available until 6pm that evening, and we recommend you book in advance as the hotel will allocate them on a first-come, first-served basis. You may be able to stay in the room you've had during your holiday, but you may have to move to another. The rooms will only be for you and your group to use, and will have beds and a private bathroom. Late check-out only covers the use of your room.

**Child Prices** Child prices are based on selected departures within the season dates, and will only apply to the cheapest room type that occupies children. Child prices are only available for the first and second child sharing a room with two full-fare-paying adults. Any more than two children on one booking pay the adult price, count towards room occupancy, and will pick up any applicable third or fourth adult reductions or occupancy discounts. You'll still pay full deposits, insurance, flight, room and board supplements, and any extras for all children travelling at a child price. Children qualifying for free or reduced child prices don't count towards group offers. Child prices only count towards room occupancy for self-catering and villa holidays.

**Child Protection** We believe we have an important role to play in protecting children's rights everywhere. Our child protection policy applies both in the UK and abroad. We train our resort staff to identify situations where children may need protection and report them to the relevant organisations. We're signed up to the Child Protection Code [www.thecode.org](http://www.thecode.org). This independent organisation monitors and supports our child protection activities. If you suspect any child is at risk on your holiday, please tell your Holiday Advisor or call Crimestoppers, anonymously, on 0800 555 111. For more information, visit <https://www.tui.co.uk/editorial/child-protection.html>.

**Conditions Of Carriage** Certain rules and regulations apply to air travel. These are set out in the Montreal Convention for air. By law we need to give you these in 'legal speak' to avoid any misinterpretation.

## Montreal Convention

This is a notice required by European Community Regulation (EC) No. 889/2002.

**Air carrier liability for passengers and their baggage** This information notice summarises the liability rules applied by Community air carriers as required by Community legislation and the Montreal Convention.

**Compensation In The Case Of Death Or Injury** There are no financial limits to the liability for passenger injury or death. For damages up to 100,000 SDRs (approximately £96,000), the air carrier can't contest claims for compensation. Above that amount, the air carrier can defend itself against a claim by proving that it wasn't negligent or otherwise at fault.

**Advance Payments** If a passenger is killed or injured, the air carrier must make an advance payment, to cover immediate economic needs, within 15 days from the identification of the person entitled to compensation. In the event of death, this advance payment shall not be less than 16,000 SDRs (approximately £15,360).

**Passenger Delays** In case of passenger delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for passenger delay is limited to 4,150 SDRs (approximately £3,980).

**Baggage Delays** In case of baggage delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for baggage delay is limited to 1,000 SDRs (approximately £960).

**Destruction, Loss Or Damage To Baggage** The air carrier is liable for destruction, loss or damage to baggage up to 1,000 SDRs (approx £960). In the case of checked baggage, it's liable even if not at fault, unless the baggage was defective. For unchecked baggage, the carrier is liable only if at fault.

**Higher Limits For Baggage** A passenger can benefit from a higher liability limit by making a special declaration at the latest at check-in and by paying a supplementary fee.

**Complaints On Baggage** If baggage is damaged, delayed, lost or destroyed, the passenger must write and complain to the air carrier as soon as possible. In the case of damage to checked baggage, the passenger must write and complain within 7 days, and in the case of delay within 21 days, in both cases from the date on which the baggage was placed at the passenger's disposal.

**Liability Of Contracting And Actual Carriers** If the air carrier performing the flight is not the same as the contracting air carrier, the passenger has the right to address a complaint or to make a claim for damages against either. If the name or code of an air carrier is indicated on the ticket, that air carrier is the contracting air carrier.

**Time Limit For Action** Any action in court to claim damages must be brought within 2 years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived.

**Basis For The Information** The basis for the rules described above is the Montreal Convention of 28 May 1999, which is implemented in the Community by Regulation (EC) No. 2027/97 (as amended by Regulation (EC) No. 889/2002) and national legislation of the Member States.

**Cots** There's usually room for one cot in all our hotel rooms, apartments or villas, but you'll need to check with us before you travel to make sure there will definitely be one available when you arrive. In some countries, such as Italy, you'll need to pay a daily charge to hire a cot. If you're staying in a villa in Florida, you'll need to pay to hire a cot by credit card, before you travel. If you decide to bring your own travel cot, bear in mind there's no extra luggage allowance for these and the airline will charge extra if you go over your limit.

### Data Notices

■ **Customer Data:** To provide your holiday and ensure that it runs smoothly, we (and your travel agent, if you use one) need to use information such as your name and address, special needs, dietary requirements, etc. Please be informed that we must pass it to suppliers of your travel arrangements,

including airlines, hotels and transport companies; we may also supply it to security or credit checking companies, and to public authorities such as customs and immigration. When you make this booking, you consent to this information being passed to the relevant people. Information held by your travel agent is subject to that company's own data protection policy.

■ **Caricom API Data:** Please note that some or all of the Caricom states listed below have entered into an agreement with the USA whereby advance passenger data, required by and provided to Caricom states for border security purposes, will be passed to the USA Department for Homeland Security for processing on behalf of those Caricom states listed as follows: Anguilla, Antigua and Barbuda, The Bahamas, Barbados, Belize, Bermuda, British Virgin Islands, Cayman Islands, Dominica, Grenada, Guyana, Haiti, Jamaica, Montserrat, Saint Lucia, St Kitts and Nevis, St Vincent and the Grenadines, Surinam, Trinidad and Tobago, Turks and Caicos Islands. Collectively members or associate members of 'Caricom'. The UK Information Commissioner's Office has accepted that this will not breach the Data Protection Act but that we are required to bring this to your attention.

■ **US Secure flight Data:** The Transportation Security Administration (TSA) requires you to provide your full name, date of birth, and gender for the purpose of watch list screening, under the authority of 49 U.S.C. section 114, the Intelligence Reform and Terrorism Prevention Act of 2004 and 49 C.F.R parts 1540 and 1560. You may also provide your Redress Number, if available. Failure to provide your full name, date of birth, and gender may result in denial of transport or denial of authority to enter the boarding area. TSA may share information you provide with law enforcement or intelligence agencies or others under its published system of records notice. For more on TSA privacy policies, or to review the system of records notice and the privacy impact assessment, please see the TSA Web site at [www.tsa.gov](http://www.tsa.gov).

**Day-before Check-in** At Gatwick, Manchester and Birmingham, if your scheduled departure time is before midday, you can check in at the airport from 12pm to 10pm the day before you travel. This service is free if you're flying with TUI and you don't need to book. All members of your group need to check-in together. This is to meet the Department for Transport's security requirements. You'll need everyone's tickets, passports and luggage.

If you're travelling to a destination that has additional security at check-in, we won't be able to issue your boarding cards. At the moment, this includes flights to the United States. You can still check in your luggage but you'll need to return to check-in the following morning to pick up your boarding cards.

**Delays** Depending on airport facilities, we provide light refreshments for a delay of 2 to 4 hours, a meal – or vouchers for a meal – for 4 to 8 hours, overnight accommodation for delays of 8 to 12 hours if it's necessary and possible. If a delay is longer than 5 hours, you can cancel your flight and we'll refund the flight part of your holiday. We'll only refund the whole cost of your holiday if we change or cancel your holiday. We set out exactly what this means in Our Agreement With You.

**Deposits** As well as the deposit you pay when you book, if you're staying in an apartment or villa, you may also be asked to pay a deposit in local currency when you arrive. If you're on a Scene holiday, you may be asked to pay a deposit – in cash – even if you're in a hotel. Some hotels require a credit card swipe or cash deposit when you check in. Deposits cover all, or part of, the replacement costs for things being lost, broken or damaged. It's also to take care of any unusual cleaning charges. You'll get it back when you leave, or with an amount deducted if necessary. The property needs to be inspected before you leave. In some cases, your deposit will be returned to you by post. Unfortunately we can't accept responsibility for any disputes which may arise, although we'll try to help you to resolve them. You'll find details of the amount and type of deposit for each property on our website, or you can call us. See **Low Deposit Offer** for more details on the deposit you pay when you book.

**Disability Assistance See Special Assistance.**

**Dress Code** Men may need to wear long trousers, shirts with sleeves, and shoes for dinner in most hotels and apartments. See **Gala Meals** for details.

## E

### ESTA See Visas.

**Extra Charges** The key aspects of your holiday will be included in the price when you book – see **Prices** for details. But it's important to point out you may have to pay extra for some things when you get there. For example, you might want to book an excursion, use a safety deposit box or enjoy something from the minibar or room service. You may also need to pay extra for things like sports, beauty treatments and classes. If we're aware you'll need to pay extra for a particular activity or facility, we'll add an asterisk after the item.

## F

**Family Rooms** These are generally for two adults and two children. They're available in selected accommodation but when hotels are fully occupied, family rooms may be limited. Bear in mind, family- and 4-bedded rooms might not be larger than standard rooms.

**TUI Family Life** Our full TUI Family Life programme starts on or after 1st May so if you're in a TUI Family Life hotel before then, you may find certain activities aren't available yet. Check the individual property descriptions for details on what's on when.

**Finishing Touches** You'll need to book them at least seven days before departure and pay for them in full when you settle your invoice.

**Flight Times** Actual flight times are on your tickets. They are local times based on the 24-hour system. We can't guarantee the flight times in our brochure, on our website or on your booking confirmation won't change, so please always check your tickets.

**Flying With Children** Infants less than 14 days old are not allowed to travel. Any child over 14 days and under two years old on the date of their return travel is classed as an infant. Infants must sit on an adult's lap and wear an extension seatbelt. If your child reaches their 2nd birthday while you're away you'll need to allow for this when you book. All children aged two and above must have their own seats on the plane. If you've paid for an additional seat for your infant, you can use your own car seat as long as it has a single release harness. It needs to be facing forward on the aircraft seat, designed to be secured by lap belt alone, and must conform to EU safety standards. You'll also need the instruction leaflet to show the cabin crew if they need it. The seat mustn't be more than 16 inches or 40cm wide. You can't use carrycots and deluxe child car seats, as they won't fit. The use of car seats will be at your airline's discretion. Airlines registered outside the UK may have their own rules. Contact TUI for more information on approved car seats.

## Free Child Places

These are only available for holidays departing between 1st May and 31st October in selected accommodation, and only where the child is sharing a room, apartment or villa with two full-fare-paying adults. They are available for children up to 12 years inclusive for hotels and up to 16 years inclusive for self-catering – unless we say otherwise in the property details. You'll need to pay a deposit but we refund this when you pay for your holiday in full. Our free places don't include flexible dining, meal supplements, insurance, in-flight meals or any other extras. Plus, you need to pay the 'Select Your Seat' option for the child if you need this. If you change your booking, free child places on your new booking will depend on availability. If your first child goes free, your second child still pays the second child price. Not combinable with other selected discounts or special offers. See **Special Offers**.

## G

**Gala Meals** Many hotels and apartments host gala meals over the Christmas and New Year period. Bear in mind that men will probably have to wear a jacket, shirt, tie and full-length trousers. You'll see if the meal's included by checking the individual property descriptions.

**Gold** Gold is designed with couples in mind so we don't accept bookings for children under 16 here in the UK. There may be children's facilities though, and we can't guarantee a completely child-free environment, because hoteliers may accept bookings from other countries on rare occasions or a child may be booked as an adult. The full Gold programme won't start until the first arrival on or after 1st May, and entertainment at the end of the season may change.

**Gold Medals** If you see one of these on a property description, it means it's a customer favourite. Each year, we award Gold Medals to hotels that score highly in our Customer Satisfaction Questionnaires.

**Group Offers** You may qualify for discounts if there are 10 or more in your party for short and mid haul destinations, 15 or more in your party in summer, or 15 or more in winter for long haul. When you're about to book, ask your Travel Advisor to contact our Groups Department, or call our Groups booking line yourself. Groups of more than 20 can have a special service from a representative at the accommodation, a private get-together and greeting on the first day, and discounts on resort excursions. Of course, group discounts are subject to availability and we may withdraw them at any time. We base discounts on how many are travelling and everyone needs to travel on the same date. Their holidays must be for the same length and to the same accommodation. If it's more convenient for them, we can sometimes make arrangements for large groups to leave from different airports. They may not be available in conjunction with any other offers. Cancellations within your group may mean a drop in your discount, and the people who cancel will need to pay our standard cancellation charges.

**H**  
**Henna Tattoos** Some resorts or hotels in which we operate may offer henna tattoos – please note that we do not recommend or endorse these services.

## I

**In-flight Entertainment** We have in-flight entertainment on all of our TUI long haul flights. For more details, contact TUI – see the end of this guide.  
**Insurance** You'll need to take out a suitable insurance policy for you and anyone travelling with you. This includes infants and children. We'll tell you about our insurance policy when you book. If you choose not to take out our insurance, you'll need to tell you number before you travel. We'll need the company details and your policy number before you travel. We can't accept responsibility for any loss that you or anyone travelling on your booking suffers if the individual isn't adequately insured. As with all insurance policies, terms and conditions apply, so you need to make sure you've got the right policy for you. See **Delays** for more details.

If you're travelling to the European Economic Area you'll also need a European Health Insurance Card. You can apply at [www.ehic.org.uk](http://www.ehic.org.uk). You'll need to have both this card and adequate travel insurance. For travel to Cuba, you need to show proof of medical insurance before you can enter the country. So have a copy of your valid insurance policy with your tickets and passport for when you get to your resort airport. Visit <http://www.cubaminrex.com/English/LookCuba/Articles/Other/2010/06-04.html> for details.

**Interconnecting Rooms** These are two rooms with a lockable connecting door, available at selected accommodation for a small supplement. If you want to book interconnecting rooms, you'll need to book and pay for 2 of these rooms.

**J**  
**Junior Suites** When we advertise a Junior Suite, it means you'll get a bedroom with a sitting area and a bath or shower room.

**K**  
**Kids' Clubs** No matter which kids' club you're looking at, bear in mind:

■ Children who are unwell won't be accepted  
■ If your child has a disability, we will do our best to look after them but please check with us before you book that the club can accommodate your child's particular needs

■ Sometimes, even when you have checked in advance, there may be reasons why the club can no longer accommodate your child's particular needs. When this happens we will do our best to include them in as many activities as possible but you may need to stay with your child to provide the care and attention that they require.

■ If your child has an allergy or any other special requirements, please let us know when you sign them into the kids' club for the first time

■ Staff aren't authorised to administer medication or change nappies, so you'll need to return to the club to do this if necessary

■ Staff may provide snacks and drinks during the day but you'll need to bring along a packed lunch for your child.

■ You must register your child for all activities, sign them in at the start of the session, and out at the end

■ You must stay within the complex or on the ship while your child is in the club and also leave details of your whereabouts in case you're needed

■ Activities may have to be cancelled, numbers limited and a rota introduced, for health and safety reasons or at particularly busy times.

■ If a kids' club is an important part of your time away, it's worth checking club availability before you book your holiday

■ Even if you've booked a package holiday with us, you may still need to pay extra for some activities and sessions. If you haven't booked a package holiday with us, you'll also need to pay for your child to join the club itself.

# A-Z GUIDE

**Hotel-run Kids' Clubs** Only clubs run by us meet our specification, which include strict staff to child ratios. Standards and facilities at hotel-run clubs vary. Make sure you're satisfied with the facilities and staff providing the service before enrolling your child. We're unable to take responsibility or guarantee that standards at hotel-run clubs meet UK standards.

**Sensatori Children's Clubs** The Play House at Sensatori resorts is for 3 to 12-year-olds. It's open six days a week and some evenings for an hour or two at a time. At Sensatori Resort Mexico, Punta Cana and Jamaica, the children's club is provided by our partners, Karisma, and so it differs to what you'll find in our other Sensatori resorts. In Mexico it's also for children aged four and above, rather than three.

**TUI/ FAMILY LIFE Kids' Clubs** We split our TUI Kids' Clubs by age, into Bamse for 3-5 years, @611 for 6-11 years, and Hangout for 12-16 years with two hours of daytime activities, five times a week. For evening activities, it's two hours of activities up to three times a week. In FAMILY LIFE, there is also Hangout for 12-16 years. Sometimes we'll combine ages for activities but it won't affect our strict staff-to-child ratios. We'll have two staff on hand at all times. In our hotels, our club activities run from 1st May to 31st October, unless the property description says otherwise. We may need to finish activities before the end of October if there isn't enough demand. We're constantly updating and reviewing our clubs, so things like activities or the names of clubs might be different to what we describe.

## L

**Late Check-out Rooms** See **Check Out**.

**Lifts** Some of our hotels don't have a lift. If stairs are a problem for you, ask us for more details before you book so we can suggest a suitable property.

**Local Laws** Sometimes local laws, religious customs or events mean facilities aren't available. It's a good idea to find out more before you travel. For the most up-to-date information, we recommend you check <http://www.fco.gov.uk/en/travel-and-living-abroad/travel-advice-by-country/>.

**Lost Property** If you leave something behind on the plane during your flight out, you'll need to contact the overseas airport and ask them to check their lost property. If it's on your flight home, let us know and we'll do our best to track down the item for you. If you leave what we class as a 'valuable item' at your hotel, like a camera, a laptop or a wallet, we'll do our best to find it for you. If your item is found, you'll need to contact the hotel to arrange for it to be returned, and there may be a charge for this. If we can't find your item, we'll send you a statement to support your travel insurance claim. For help with lost property, contact After Travel Customer Support.

**Luggage** Luggage allowances vary, and could change, so please check when you book. When travelling with TUI your checked-in allowance will vary between 15kg and 23kg depending on your holiday so make sure you check when you book. Just as a guide, if you're going on a Premium Collection holiday - so a La Carte, Platinum, TUI Sensatori or TUI Sensimar - or TUI Family Life holiday your allowance is set at 20kg for checked-in luggage. And if you've booked one of our wedding packages as a couple, you'll qualify for an extra 5kg of luggage allowance each for your wedding attire. This extra will be added to your holiday booking when you book your wedding package. One thing to bear in mind - if your flights change to another airline we won't be able to offer this allowance. For some types of holiday your maximum allowance is 15kg. You can buy extra checked-in luggage allowance in 5kg amounts if you need more space - you'll need to do this at least 3 days before departure. Also, if you're booking a tour or twin centre, remember to check your allowance, because your allowance during the tour or twin centre may be less than for your international flights. On all flights, under two you get a 10kg luggage allowance, and we won't charge you to take your folding pushchairs either.

You can share your allowance with others on your booking, but no single bag can be more than 23kg. This is for health and safety reasons. If you have booked extra luggage allowance, you still need to make sure each bag is under 23kg, otherwise check-in staff won't accept it. Also, we can only accept luggage if it's packed and secured in suitcases or bags, and we believe it can stand up to reasonable handling. Otherwise, we may ask you to sign a disclaimer before we can take it. This also includes any bags we believe are already damaged. As for hand luggage, you can take one item on your flight. The maximum dimensions are 55x40x20cm. Your allowance is 5kg, unless you're going on a TUI Family Life or Premium Collection holiday where it's 7kg. You can't buy extra hand luggage allowance. You should be able to lift your hand luggage into the overhead storage compartments yourself. Other bags, such as handbags or laptop bags, must fit in your single item of hand luggage. There are restrictions on what you can carry in your hand luggage so make sure you read the information that comes with your tickets. For example, you should pack valuables in your hand luggage - never your checked-in luggage. This includes money, jewellery, computers and important documents. Your airline won't be liable for loss or damage to valuable or fragile items packed in hold luggage, no matter how it's caused.

**On Other Airlines** If you're not flying with TUI, you'll need to find out what your allowance is for checked-in luggage and hand luggage. Some airlines don't give infants their own allowance.

**Excess Luggage And Sports Equipment** There may be a charge for excess luggage and sports equipment. Whether or not we can carry it will depend on capacity on the day. You can arrange to take golf clubs, windsurf boards, diving equipment and other sports equipment on your flight. If you don't book, you may still be able to check your own equipment in. But we can't guarantee this and there'll be a charge. Bear in mind, any problems with excess luggage charges need to be sorted out at the airport. We can't guarantee you'll be able to take bulky sports equipment with you on the coach to your holiday accommodation, and there may be an extra charge.

**Lost And Damaged Luggage** Please report any lost luggage or damage to us within seven days. If not, under the terms of the Montreal Convention, we won't be liable. See **Montreal Convention** for details. If your luggage is damaged on your way back to the UK, you need to complete a Property Irregularity Form (PIF) at the airport and keep a copy for insurance purposes.

**Low Deposit Offer** This offer is per passenger. We can change or withdraw this offer at any time. The rest of the deposit will be due within eight weeks of your booking your holiday. If you cancel, you still have to pay the full deposit.

**Low Season** You may find that if you're travelling outside of peak holiday periods, like May and October, some facilities - both in your hotel and resort - may not be available and entertainment may be more low-key. Hoteliers may remove facilities at certain times due to low demand.

## M

### Meals

**On Your Flight** TUI includes meals on long haul flights. Please let us know when you book if you require any children's meals. We don't provide meals for under-twos so you'll need to bring something with you. Remember to tell us if you have any special dietary requirements. We can't guarantee we'll be able to meet them, but we'll do our best. For group bookings, everyone in your party will need to either book in advance or decline the meal. For all other flights, we offer a range of snacks and drinks to buy onboard.

**At Your Hotel** Meals are usually served in the hotel's main restaurant. The set-up here may change from buffet to waiter service, or vice versa. For à la carte restaurants you may be limited to a certain number of visits per stay and you may need to make a reservation. You may need to pay extra for these, too. Not all of the hotel's restaurants will necessarily be open at the same time. Meals for infants are not included in the price of your holiday so you'll need to make your own arrangements. **Full Board Plus** includes a Continental breakfast, lunch and dinner with drinks included during mealtimes. **Full Board** includes a Continental breakfast, lunch and dinner. **Half Board** includes a Continental breakfast and dinner - or lunch, if you wish - at some hotels. **Bed & Breakfast** usually means Continental breakfast.

### Medical Conditions

**On Your Flight** If you have a medical condition, a serious illness, or you've recently had surgery or an accident, you'll need to be cleared for travel by the airline. You may also need a 'Fitness to Fly' certificate from your GP. Conditions that need medical clearance include respiratory, coronary or infectious illness. You'll need to give your request for medical clearance to the airline at least four working days before you're due to fly. If you're unsure what conditions require medical clearance, it's best to contact our Customer Welfare Team before you book - their number is at the end of this guide. We also recommend that you contact your doctor before you book if you've got any concerns about your health.

The risk of deep vein thrombosis while flying is extremely low but is still a serious medical condition. See your doctor if you think you may be particularly prone to DVT.

If you think you might need to ask for therapeutic oxygen during your flight, please contact your airline at least one month before your departure date. TUI does not charge for this, but you must request it in advance so we can confirm that it'll be available for you. Contact our Customer Welfare Team for more information - their number is at the end of this guide. See **Special Requests**.

**At Your Destination** If you have specific medical needs, think about whether the healthcare system in the destination you're looking at is likely to be able to meet those needs, if you have any problems while you're away. Consider things like the country's state of development and its size. You may find it helpful to look at <http://www.fco.gov.uk/en/travel-and-living-abroad/>.

**Baby Equipment** If you're travelling to one of our TUI Family Life hotels or TUI Sensatori resorts, you can book baby equipment including cots, strollers, highchairs and sterilisers. These must be booked in the UK and prices range from £10 to £25.

**Mobility Assistance** See **Special Assistance**.

**Money Exchange** If you want to change money when you get there, check the property descriptions to find out if you can do this at your hotel.

## N

**Nurseries** At our TUI Sensatori resorts, there's a nursery for children up to four-years old, available all week. You can book full or half-day sessions for the duration of your holiday. These are in blocks of 6, 9, 10 and 13 in a choice of AM or PM sessions, depending on the length of the holiday. You'll need to book before you go to guarantee a place. AM sessions are from 9.30-13.00 and PM sessions are from 13.30-17.00. Pre-booked sessions start the day after you arrive and run consecutively until the number of pre-booked sessions run out. Unfortunately there isn't a nursery at TUI Sensatori resort Punta Cana, Mexico or Jamaica. Baby equipment including cots, playpens, strollers, highchairs, sterilisers and bottle warmers are available to book at all our TUI Sensatori resorts except TUI Sensatori resorts Punta Cana, Mexico and Jamaica, but you'll need to sort this before you go.

Bear in mind, wherever the nursery, if your child's ill, they won't be accepted. You need to supply your own nappies and prepared feeds. Also see **Baby Club**.

## O

**Official Ratings** Each country has its own system for rating properties. We'll always publish any official ratings where they're available, usually as stars.

## P

**Passports** The name in your passport must match the name on your ticket otherwise you may not be able to travel and your insurance could be invalid. If someone in your group changes their name after you have booked, tell us and we'll issue the ticket in the new name. If you've already received the ticket, return it and we'll send one with the correct name. There may be a fee for this change. British Citizens must hold a valid 10-year passport. Passports for British citizens are valid for travel to any EU country up to and including the passport expiry date. Some countries outside of the EU require a British passport to have a certain period of validity left on it, such as 6 months, or blank pages. Visit [gov.uk/foreign-travel-advice](http://gov.uk/foreign-travel-advice) for advice by country. Other nationalities should check with their own governments. It is your responsibility to check whether you need a visa to enter your destination country.

British Citizens under 16 years old, including newborn babies, are required to have a child passport. The child's passport will initially be valid for 5 years, but can be renewed for a further 5 years at the end of this period. You can visit the [gov.uk](http://gov.uk) website for further information and how to apply.

**Passenger Assistance** See **Special Assistance**.

**Playgrounds** You need to supervise your children on all play equipment. Bear in mind, we can't guarantee standards of equipment unless it's at one of our TUI Family Life hotels.

**Pool Views** If you book a room with a pool view, you'll look directly onto or have a side view of the pool.

**Pregnancy** You can travel with us up to the 28th week. If you're more than 28 weeks at the time of your flight home, you'll need a medical certificate from your GP. It must state there are no complications and give the dates of your pregnancy. If you're more than 36 weeks at the time of your flight home, they'll refuse to take you. If you're expecting twins or more, you must return by the 32nd week. Please check your insurance policy for any restrictions that apply. Many policies only cover up to the 28th week.

## Premium Collection Benefits

You'll get the advertised benefits as long as you're flying with TUI.

**Premium Club** Premium Club seating is available to book on long haul TUI flights. If you book to fly Premium Club, your luggage allowance will be 23kg in the hold and 7kg as hand luggage. Lounge access and fast-track security are only available on departure from UK airports. You can access the lounge from 3 hours before and up to your original scheduled departure time. We advise you wear smart casual clothing. Fancy dress, vests, football shirts, trackuits, baseball caps and other sports clothing are not allowed to be worn in the lounge. Shorts aren't permitted either unless they are tailored and knee-length. Entry to lounges is subject to the individual lounge operator who may impose their own conditions and who reserves the right to refuse admission to anyone wearing clothing which their staff believe may cause offence to others. At London Gatwick, Edinburgh and Birmingham the lounge provider is the No.1 Lounge. At Manchester Terminal 2 it's the Swissport Lounge. At Glasgow it's the Sky Lounge. At Newcastle it's the Aspire Lounge. At East Midlands it's the Escape Lounge, and at Cardiff it's the Cardiff Airport Executive Lounge. If the lounge is unavailable then alternative facilities may be offered. The location of fast-track security and airport lounges in the UK will be provided by TUI staff at the TUI bag drop.

Our Select Your Seat service is included, in accordance with our Select Your Seat terms and conditions - see Select Your Seat. To get the best choice of seats, we recommend you book and select your seats as early as possible before departure. If you experience any difficulties using our online service, please contact your travel agent or, if you've booked your holiday online, please contact TUI on 0203 636 1790. Calls from UK landlines cost the standard rate, but calls from mobiles may be higher. Check with your network provider. Just so you know, we'll always do our best to seat your group together but we can't guarantee this.

**Prices** Our brochure prices are accurate at the time of publication, but you should only use them as a guide. The prices we give are selected from a range of prices available within the high season or outside the high season. The price you pay will depend on when you're travelling and prices may go up and down throughout the season. The brochure price is based on the standard occupancy for the room type included in the package so the price will change if the room is occupied by a different number of guests. See **Occupancy**.

We worked out the price of your holiday in our latest brochures using the following exchange rates. These were quoted in the Financial Times Guide to World Currencies on 02/03/2018...

Bulgaria - Lev 2.2037, Croatia - Kuna 8.3919, Egypt - Pound 24.1966, Europe - Euro 1.1267, India - Rupees 89.5013, Mauritius - Rupee 45.6254, Mexico - Peso 25.8761, Morocco - Dirham 12.7187, Sri Lanka - Rupee 212.7587, Thailand - Baht 43.0732, Turkey - Lira 5.2302, United States - Dollar 1.3722, Vietnam - Dong 31218.0990

**What's Included** The basic cost of your holiday includes the following...

- Return flight from the UK
- Air passenger duty at the standard economy rate.
- Departure taxes on holidays to Jamaica, Aruba, Puerto Vallarta, Costa Rica, Cancun and Punta Cana.
- Transfers between the airport and your accommodation, except Skytours and Scene holidays where these must be booked and paid for separately. This is usually by coach. Where we provide a taxi, the price we quote is for each person and based on three adults sharing a return taxi transfer.
- Car hire on selected holidays - check when you book
- The accommodation and meals as advertised or confirmed on your invoice
- Luggage allowance as confirmed on your ticket
- Aviation insurance and security charge
- Estimated fuel costs
- A Holiday Advisor at the UK airport and in resort
- All obligatory hotel service charges and taxes payable in advance
- VAT on all holidays to EC countries

**What's Not Included** The basic cost does not include the following...

- Additional flight charges, such as taxes and regional supplements
- Additional air passenger duty - there's a difference between standard and premium cabin charges. A higher rate is charged by the government for passengers travelling in premium cabins.
- In-flight meals unless we say otherwise
- Seats together on the plane unless we say otherwise
- Fuel supplements where applicable
- Excursions
- Holiday insurance
- Additional charges for particular room types, meals or under-occupancy in apartments. For details, ask your Holiday Advisor.
- Excess luggage and the transport of any sporting equipment
- Deposits requested on arrival by some apartment or villa owners, and by some hotels in Florida - see **Deposits**
- Any local taxes, levies or similar that local authorities abroad expect you to pay yourselves

## R

**Rollaway Beds** These are only suitable for 16s and under. If your room has a rollaway bed set up, the floor space may be limited. You'll only find a rollaway bed in your room if it's needed for your group size. If you'd like to have the extra bed, you'll need to arrange this with the hotel directly.

**Room Upgrades** If you arrange a different room type with the hotel when you arrive, this won't be included in your contract with us.

## S

**Safety** Overseas' safety standards are generally lower than ours in the UK. We take reasonable care to make sure only reputable businesses provide the services that make up our holidays, and we expect them to provide those services in line with local standards.

**Children's Safety** For our own Kids' Clubs, we take advice from leading UK child safety organisations and accident prevention agencies. You should always check you're happy with hotel clubs and children's facilities.

**Health And Hygiene** Hygiene standards are generally lower than in the UK - particularly in developing countries. Having said that, you can help to improve hygiene levels by taking a few basic steps: Wash your hands after going to the toilet. Shower before you get into the pool. Encourage children to go to the toilet before swimming, and make sure babies and infants wear swim nappies.

**Scuba Diving** We recommend you check with your doctor before you go, and have a full medical examination in resort if you're planning scuba training. You may need to pay extra for this. It's also dangerous to fly within 24 hours of scuba diving. This is because pressure changes might cause 'the bends' or even in severe cases, paralysis. Of course, you also need to make sure you have adequate insurance cover.

**Sea Views** If you book a room with a sea view, it may be partly blocked by trees or smaller buildings, or across a road, but you'll still be able to see the sea. If we describe a room as a Limited Sea View, this generally means your sea view will be to the side rather than directly in front. There may also be more obstructions like trees between your room and the sea than with a Sea View room.

**Seating** If you're flying with TUI the minimum seat pitch of our aircraft is 29 inches. The minimum seat width is 16 inches. If you think you'll have difficulty fitting into this seat size, please call our Customer Welfare Team before booking - you can find their details at the end of this guide. You might need to pay an additional charge depending on what options are available.

**Seats With Extra Legroom** These are available to book on selected short and mid haul flights and are suitable for adults and children. Our Select Your Seat service is included, in accordance with our Select Your Seat terms and conditions - see Select Your Seat. To get the best choice of seats, we recommend you book and select your seats as early as possible before departure. If you experience any difficulties using our online service, please contact your travel agent or, if you've booked your holiday online, please contact TUI on 0203 636 1790. Calls from UK landlines cost the standard rate, but calls from mobiles may be higher. Check with your network provider. Just so you know, we'll always do our best to seat your group together but we can't guarantee this.

**Seats With Extra Space** These include seats that are close to or next to emergency exit doors, behind a bulkhead or behind a dividing wall. Seats with extra space are only available to pre-book for adults and children 12 years and over with TUI and 16 years and over on other carriers, but we may allocate these seats to families with children if the seats are not in an emergency exit row. Emergency exit row seats are only available to passengers who are able to move quickly and operate the exit without difficulty in the unlikely event of an emergency - in line with European Aviation Safety Authority (EASA) regulations. Just a few things to bear in mind before you book an emergency exit row seat: Passengers cannot sit in these seats if they have difficulty moving quickly because of physical or mental impairment or disability, age or sickness, or physical size. Neither can anyone under the age of 12 with TUI, or under the age of 16 on other carriers - whether accompanied or not, anyone who requires an extension seatbelt, or anyone who's travelling with an assistance animal. These regulations have been put in place by the EASA and are for the safety of our passengers. The cabin crew have the final say and we kindly ask that their decisions are respected.

**Select Your Seat** If you pay to take advantage of our Select Your Seat service, you'll be able to log in to your booking 90 days before your return flight and choose your seats. You'll also get access to online check-in 2 weeks prior to departure - a full 7 days before this is made available to other customers. Once you've checked in and confirmed your chosen seat, you won't be able to change it. That said, in some circumstances, we may have to change your seat. This would only be for operational, safety or security reasons. In accordance with the Civil Aviation Authority's guidelines, certain requirements must be satisfied before we can allocate seats near the exit. If we do have to change your seat, we'll try to keep it as close to what you booked as possible. A refund will only be offered if we can't seat you in a similar position to your original request. A similar position means the same type of seat - window, aisle etc - as your original selected seats. In such cases, we ask that you keep a copy of your confirmation documents and boarding cards.

**Single Rooms** Single rooms and rooms for sole occupancy are available in most hotels, but demand always exceeds availability. Sometimes when we refer to single rooms it may mean a room suitable for sole occupancy. Single rooms are generally smaller, may not have the best locations or the same amenities. If you're booking a double room just for yourself, you'll usually be asked to pay a supplement. This also applies to self-catering accommodation, where, for example, three people choose a property for four. Our prices reflect the costs of the rooms contracted to us.

**Smoking** All flights are non-smoking. Our hotels usually have smoking areas.

**Spa** Spas in our hotels aren't included, unless we say otherwise. In Spain and the Canary Islands, by law only over-16s can use the facilities.

**Special Assistance** If you or anyone you're travelling with is disabled, less mobile, visually impaired, or undergoing medical treatment, you'll need to contact our Customer Welfare Team before you book on 0203 451 2585. Calls from UK landlines cost the standard rate, but calls from mobiles may be higher. Check with your network provider.

They can tell you which holidays and flights are suitable for you and which properties have things like ramps and specially adapted rooms. Also, if you've got any medical or dietary needs, they will do their best to help.

**On Your Flight** If you or a member of your party is disabled, uses a wheelchair, can't walk more than 400 metres without help, or has difficulty climbing the aircraft stairs, EU regulations say you should notify us of your assistance needs before travel. You can do this by contacting our Customer Welfare Team. You'll need to do this at least 48 hours before your departure. Assistance can't be guaranteed if you don't let us know before this time.

**Transfers** If you aren't able to use our coach transfers, we can arrange a taxi transfer if you tell us in advance by contacting our Customer Welfare Team. Bear in mind, there is a charge for this.

**Special Offers** Our offers are only available on the holidays and dates we advertise, are per booking, and are subject to availability.

**Special Requests** We'll always do our best to help however we can, but we can't guarantee we'll be able to meet your needs every time. These special requests aren't covered by Our Agreement With You so from a legal point of view, they're not part of your holiday contract.

#### Supplements

**On Your Flight** Depending on the airport you choose to fly from, on certain days or at certain times, you may have to pay a flight supplement. Flight supplements may go up or down throughout the season. Some holidays are only available on flights with extra charges, either because the accommodation is available only on certain days of flying, or because onward travel arrangements are only available at certain times.

**Occupancy Supplements/Discounts** Depending on the number of people sharing a room, you may have to pay an 'occupancy supplement' for under-occupancy or single occupancy, or there may be a discount if more people share a room. Supplements/discounts may go up or down throughout the season.

**Room Supplements** Depending on the type of room you choose to stay in, you may have to pay a 'room supplement'. Room supplements may go up or down throughout the season. All rooms are subject to availability and any applicable occupancy and age restrictions.

**Sustainability** We're part of Sustainable Aviation, a UK initiative bringing together airlines, airport operators, aircraft and engine manufacturers and air traffic management providers, which seeks to minimise the impact of flying on the environment and society. Visit [www.sustainableaviation.co.uk](http://www.sustainableaviation.co.uk).

**Swimming Pools** It's unlikely your pool will have a lifeguard. An adult must always accompany children in the pool. This includes children's pools and surrounding areas. Pools may be closed in early or late season, so April, early May and October, or in particularly bad weather. Also, pools won't be heated unless we say otherwise in the property description. If your pool has a waterslide, there may be height or age restrictions.

#### T

**Taxes** You may need to pay a tourist tax either at the airport or at your hotel. Taxes change regularly so check before you go. See **Prices** for more details.

**Tour Operator Ratings** We rate our holidays on our annual reviews and also the feedback we get from our end-of-holiday Customer Satisfaction Questionnaires. We rate hotels and apartments from '2' for no-frills, good value accommodation, to '5' for more comfort and a wider range of facilities. There may be some differences between accommodation that shares the same rating. That's where our 'plus' rating comes in.

**Towels** You'll see from the individual property descriptions whether or not there's a pool towel service. You may find you'll need to pay a small charge.

**Transfers** The transfer times we give you are a rough guide. They don't allow for delays to incoming flights or local traffic conditions. In terms of the type of transfer you'll get, it depends on the holiday you've booked. Just so you know, if your holiday includes a coach transfer, we may occasionally need to change this to a minibus or taxi. Where coach access is limited, we may need to transport your luggage separately to and from your accommodation. If this is the case, it may also be necessary for your luggage to be collected earlier than your return transfer time to ensure it arrives at the airport in time for you to collect it before checking in.

Transfers to theme parks in Florida are organised by the hotel so you may need to book when you get there. They're likely to be on a first-come first-served basis, and timings may change.

If you're on a Sensatori holiday, the coach will drop you off first or second wherever possible. Florida packages include car hire, so if you opt to pay for a coach transfer instead, priority drop-off isn't guaranteed. If you've booked an A La Carte holiday, you get a private taxi transfer included for most destinations - see **A La Carte** for important information. Occasionally we may have to provide alternative transport, and in some cases you may have to share your taxi with other A La Carte guests. If you're not on an A La Carte holiday, you've still got the option of booking a private transfer, which will either be by minibus or taxi. In some destinations we feel that it's more suitable to book private transfers. Our prices are competitive against similar transfer services. Taxis take a maximum of three adults. Prices shown are per person, per return trip, based on three adults sharing. Luggage space may be limited and baby seats aren't provided.

**Twin Rooms** Some twin rooms can take a 3rd or 4th bed but they're usually camp or folding beds. Rooms that take extra beds or a cot aren't necessarily bigger than standard rooms so space may be limited.

#### V

**Vaccinations** Speak to your doctor at least two months before you're due to go away. Some treatments, for malaria for example, should begin well before you go. If you're booking within three weeks of your departure, speak to your doctor before you book. There's more information available in the Department of Health's free leaflet - Health Advice for Travellers. Call 0800 555 777 for a copy.

**Visas** The best place for up-to-date information on visa and travel advice is the Foreign Office. Visit [www.fco.gov.uk/travel](http://www.fco.gov.uk/travel) or call 0845 850 2829. There may be specific entry requirements for under-18s, depending on your destination. For example, if a young person is travelling without both parents, there may be extra costs and they may need extra legal documents such as an affidavit, from a notary public. Always check with the consulate or embassy of the country you're travelling to before you book.

#### W

**Weather** There are sometimes tropical storms and hurricanes in Florida, the Caribbean and Mexico between June and November. It's impossible to predict their path or how long they will last more than three of four days in advance, and often it's much less. South-east Asia may be affected by its monsoon season, typically May to Sept. If a storm is forecast for one of our destinations, your safety is always our first priority. If there are hurricanes during your holiday we follow the advice of the Foreign and Commonwealth Office and work with the Federation of Tour Operators. Please also bear in mind that some hotel facilities - like outdoor bars and some sports - may not be available in adverse weather. Where we display weather information, this is supplied by the Met Office. © Crown copyright, the Met Office.

**Wheelchairs On Your Flight** When you fly with TUI, we'll take your wheelchair and one other mobility item in addition to your normal luggage allowance. However, you'll need to let us know at least 48 hours before you travel. We recommend your wheelchair and other mobility aids are fully insured. If you've got an electric wheelchair, you'll need to let our Customer Welfare Team know so that the necessary arrangements can be made. Please let us know the wheelchair's make and model when you call. There's a limit on how many electric mobility aids we can take on each flight. If you don't let us know before you book and we can't carry your wheelchair, you might need to pay an extra charge to change your booking.

You can bring a battery-powered wheelchair if it meets the conditions given in the ICAO Technical Instructions for the Safe Transport of Dangerous Goods, plus any other relevant CAA rules. Visit [www.caa.co.uk](http://www.caa.co.uk) for more information. Contact us as soon as possible if you're travelling with a battery-powered wheelchair or mobility aid and let us know the make and model, dimensions and battery type. We can then confirm whether there's space onboard.

Wheelchairs need to be stored in an upright position for the flight. Batteries must be securely attached to the mobility aid and terminals protected from short circuits. Electrical circuits must be isolated to prevent the device being operated accidentally. If the wheelchair can't be stored in an upright position, the battery terminals need to be protected against short-circuiting, and the battery removed and stored in strong packaging.

You need to bring the operating instructions for your mobility aid with you. If you don't have these details, see <http://www.bhta.net/home/air-transport-advice-lists.html> where your make and model should be shown. If not, you'll need to contact the manufacturer, or shop where it was purchased or hired.

Here are the door sizes of TUI's aircraft, so you can check if your wheelchair will fit onboard:

**B737-800** Forward Hold - 48" x 35" / 1.22m x 0.89m

Rear Hold - 48" x 33" / 1.22m x 0.84m

**B757-200** Forward Hold - 55" x 42.5" / 1.40m x 1.08m

Rear Hold - 54" x 45" / 1.40m x 1.14m

**B767-300** Bulk - 38" x 43.5" / 0.96m x 1.10m

**B787-8** Bulk - 45" x 40" / 1.14m x 1.02m

If you're flying with another airline, contact them directly to see if your wheelchair will fit onboard. Our Customer Welfare Team can help with this.

**Resort Transfers** If you're taking an electric wheelchair or scooter, you'll need to book a taxi transfer to your hotel. You can't take them on the coach. There's a extra charge for this.

**Wi-Fi** Bandwidths may vary. Some hotels may offer an upgrade to a higher bandwidth which you may need to pay for. The upgraded service may also cover a different location to the free Wi-Fi zones. Some hotels may have a data cap on usage, or the free Wi-Fi may be restricted to a daily time limit per device or room. Once this usage or time limit is reached, there may be a charge to continue using the service. Factors that may reduce signal strength include high usage - particularly if lots of devices are using Wi-Fi at the same time, obstructions like thick walls and electronic machinery and adverse weather conditions. The device used to connect to the Wi-Fi - e.g. mobile phone, tablet or laptop - may result in a differing quality of service received. Wi-Fi zones may not be in the same location at every hotel. If your device isn't connected to Wi-Fi, remember to turn off data roaming to avoid possible data charges. Due to factors outside of our control we can't guarantee the availability, performance or security of the Wi-Fi provided.

#### Y

**Your Opinion** We ask customers travelling with us to fill in a Customer Satisfaction Questionnaire online when they get home, to rate their holiday experience. The questionnaires are analysed by an independent market research company. Then we publish the results, where they are available. The scores you see are results for the last season, and show the score out of 10 by guests who rated their holiday overall and accommodation as good or excellent. If a property has recently moved across to TUI from our sister company, First Choice, we'll publish the last season's scores from First Choice so you can still see how the property's been rated by our customers.

Some properties don't have a score for a number of reasons - it may be new for that season, we may have received less than 20 responses, or the hotel has changed - perhaps been refurbished, is under new management, or now caters for a different type of customer. Or perhaps the full season scores weren't available when we went to print.

Our Premium Collection hotels have to score of at least 90%. If the accommodation is new, we'll make the judgment on whether it's suitable for this range.

# OUR AGREEMENT WITH YOU, AND YOURS WITH US

## Our Agreement with You

We are a trading division of TUI UK Limited, Company Number 02830117, having its Registered Office address at Wigmore House, Wigmore Lane, LUTON, LU2 9TN and Our Agreement With You sets out what you are legally entitled to expect from us when you buy a Package Holiday from us and will not apply to any course of dealings between us other than the Package Holiday booked. The Package Holiday as advertised by us will also have restrictions set out in our A-Z Guide ([www.tui.co.uk/a-zguide](http://www.tui.co.uk/a-zguide)), which should also be read carefully. Because we sell a wide variety of Package Holidays, you should read our A-Z Guide and these terms and conditions carefully, before you book, to see how they affect your specific travel arrangements made by us.

### 1. Your Travel Booking

Whether you book alone or as a group, we will only deal with the lead booking name in all subsequent correspondence, including changes, amendments and cancellations. You must be 18 years old at the time of booking and possess the legal capacity and authority to book as the lead name and travel on holidays with us and take up the offers advertised by us if they are still available. You are responsible for ensuring the accuracy of the personal details or any other information supplied in respect of yourself and any other person travelling on the booking and for passing on any information regarding the booking or any changes made in relation thereto, to all persons travelling on such booking, including but not limited to information on schedule changes or copies of booking confirmations.

In addition, if your holiday includes a flight, you are also responsible for

- notifying us prior to the time of booking of any personal circumstances and needs pertaining to a person included in the booking including, without limitation, whether any such person is not self-reliant or is a person with reduced mobility - e.g. if you, or a member of your party, have difficulty in walking 500 metres, and
- notifying us at any time from the time of booking until 48 hours prior to the flight's departure by calling our call centre if any person travelling on the booking has ceased to be self-reliant or a person with reduced mobility or if a person previously reported to be with reduced mobility or as not being self-reliant does no longer fall into either category.

It is a condition of your booking with us that you and all other members of your party, including infants and children, are adequately insured on holiday. Any person who is under 18 years old must be accompanied by an adult on his or her journey. There may be other restrictions and conditions on some offers, but these are explained in the details of those offers. When you or, if you are booking through a travel agent, your travel agent ask for your booking to be confirmed, we will confirm the booking there and then, and set aside your chosen accommodation, holiday or transport for you. Next, we will send you or your travel agent a Confirmation Invoice within 14 days. We may not be able to confirm some of our ground arrangements straight away e.g. bespoke accommodation, tours etc. In these instances we may issue a Confirmation Invoice. However, a contract for arrangements that have not been confirmed on that invoice will only be made when we have sent you written confirmation that those additional arrangements have been completed. If there is any change to any of the details discussed at the time of booking, before the Confirmation Invoice is issued, we will notify you promptly of any new or changed details, including a change to the total price, if any. If any detail on the Confirmation Invoice is not correct tell us or your travel agent immediately. If there is an obvious error on the Confirmation Invoice we reserve the right to correct it as soon as we become aware of it, but we will do this within 7 days of issuing the Confirmation Invoice or, if your departure is within 7 days, no later than 24 hours before you go. If any of these changes are not acceptable then you will be entitled to a full refund.

The contractual terms of Our Agreement apply between you and us because you have chosen a Package Holiday with us, hereafter a "holiday", which is a "package" within the meaning of The Package Travel, Package Holidays and Package Tours Regulations 1992 and will enjoy the benefits conferred by it. We may transfer your booking to another company in our group, but this will have no effect on your holiday arrangements.

Air Passenger Duty, which is payable by passengers departing from UK airports, is included in the price of your holiday. The price of your holiday will include the Air Passenger Duty for an economy seat. If you upgrade to a premium cabin this will be included in the upgrade cost.

### 2. The Price You Pay

All prices we advertise are accurate at the date published, but we reserve the right to change any of those prices from time to time. Prices include a cost for fuel that was estimated at the date of this publication. We reserve the right to add a fuel supplement to holiday prices should this increase after the date of this publication. Prices can go up or down. We will be able to tell you or your travel agent the up-to-date price of your chosen travel arrangements and of any other services advertised by us before confirming your booking.

We reserve the right to increase the price of your holiday after you have booked but no later than 30 days before the departure date stipulated and will forward an Amendment Invoice reflecting any changes made. After a Confirmation Invoice has been sent to you, any increase to your holiday price will be as the result of changes in our costs of supplying your holiday resulting from transportation charges, fuel, airport charges, scheduled air fares and other transport charges which form part of our contract with the transport provider, currency fluctuations and government action. An administration charge and any relevant travel agent's commission is included within these amounts.

If the increase would be 2% or less of the holiday price shown on your Confirmation Invoice, excluding insurance premiums and any amendment charges, we will absorb the changes in our costs described above and will only pass on any increase above that level. If any change in our costs would cause a reduction in your holiday price, we will not make refunds of amounts less than 2% of your holiday price - calculated as above, but we will refund in full amounts exceeding such 2%, after deducting an administration charge of £1.

If the increase is more than 10% of the holiday price, calculated as above, then

- You may cancel your holiday booking within 14 days of the Amendment Invoice date and receive a refund of all monies paid to us except any amendment charges. We will only consider an appropriate refund of insurance premium paid if you can show us that you are unable to transfer or re-use your policy, and
- the increase will be considered a Major Change as described in section 4 below and, unless you choose to cancel under paragraph 1 above, you will be entitled to the alternatives set out in section 4 for those circumstances, but in either case you will receive compensation in accordance with section 4.

The price quoted on the last Amendment Invoice issued is guaranteed, unless you change your holiday booking. Any increases in our costs which occur after the last Amendment Invoice has been sent will be borne by you. Should you instruct your credit/debit card company to "charge back" any payment(s) properly due from you in respect of your booking, we will charge you a fee of £10 per incident and associated costs. We further reserve the right to cancel your booking and/or take legal action against you for all outstanding payment(s).

### 3. If We Cancel Your Booking

We aim to provide your holiday as booked. But if, for example, there are not enough people booked on your holiday or you do not pay the balance of the holiday price on time, we may cancel it. We reserve the right to cancel your holiday in any circumstances but if we cancel your holiday, except where this is because you have not paid, you can either have a refund or accept a replacement holiday from us of equivalent or similar standard and price, if we are able to offer you one. We may offer you a replacement holiday from another company in our group. Should you choose this option the terms and conditions of your holiday will not change and these conditions will still apply to your booking. In either case, we will pay you compensation, using the scale shown, unless we cancel your holiday because you do not pay us the balance of the holiday price or because of one of the events listed in the 'Important note - events beyond our control', and we will always refund the difference in price if the replacement holiday is of a lower standard and price. We will not cancel your holiday after the balance due date, unless this is the result of one of the events in the 'Important Note - Events Beyond Our Control', or you have not paid.

### 4. If We Change Your Booking Details

We hope we will not have to make any change to your holiday but, because our holidays are planned many months in advance, we sometimes do need to make changes. We reserve the right to do this at any time. We will let you or your travel agent know about any important changes when you book. If you have already booked, we will let you know as soon as we can, if there is time before your departure. Flight timings shown by us are for guidance only and may change. Occasionally it may be necessary to change the aircraft type for your flight, which may mean that some facilities such as in-flight entertainment or the advertised seat pitch may not be available. Where we are unable to provide a seat option that you have paid for we will refund the amount you have paid. Your Confirmation Invoice will show the latest planned timings. Your actual flight timings will be shown on your ticket, including any e ticket itinerary, which you should check carefully as soon as you receive it.

## Major Changes To Your Holiday

Occasionally, we have to make major changes to the flight or accommodation making up your holiday with us. Major changes to your holiday for which we will pay compensation, unless the change is for reasons beyond our control, see 'Important Note - Events Beyond Our Control', using the scale shown, may include the following changes - a significant change of destination, a change in accommodation to that of a lower category, a change in the time of your departure or return flight by more than 12 hours, a change of UK departure airport - excluding changes between London airports, London, Ebbsfleet and Ashford stations and between Dover/Folkestone ports. A delay to your flight that we need to make within 24 hours before you are due to depart will not be considered a major change unless the delay is for more than 24 hours. These changes are only examples and there may be other significant changes which constitute major changes.

If we tell you about any of these changes after we have confirmed your holiday booking, you may either

- accept the new arrangements offered by us, or
- accept a replacement holiday from us of equivalent or similar standard and price, at the date of the change, if we are able to offer you one. We may offer you a replacement holiday from another company in our group. Should you choose this option the terms and conditions of your holiday will not change and these conditions will still apply to your booking, or
- cancel your holiday with us and receive a full refund of all monies paid.

Either way, we will pay you compensation, using the Compensation table shown, unless the change is for reasons beyond our control, see the 'Important Note - Events Beyond Our Control', and we will always refund the difference in price if the replacement holiday is of a lower standard and price, at the date of the change. This standard payment will not affect your statutory or other legal rights. We will only make one payment for each full-fare-paying adult in the holiday booking. Any children not paying the full adult fare will receive 50% of these amounts. Children using a free child place will not receive any standard payment. A delay to your flight that we need to make within 24 hours before you are due to depart will not be considered a major change.

## Compensation

Any compensation payable will be on these scales based on how many days before your booked holiday departure we tell you of a major change.

Period before departure when a major change is notified	Compensation payable per person
More than 84 days	0
83-29 days	£10
28-15 days	£20
14-8 days	£30
7-0 days	£40

### If The Change Is Not Acceptable To You

If any major change indicated above is not acceptable to you, you can cancel your holiday booking. In this case, we will refund all the money you have paid us and will pay you compensation, as shown above, depending on how many days before your holiday we tell you about this change unless the change is for reasons beyond our control - see 'Important Note - Events Beyond Our Control'. This standard payment will not affect your statutory or other legal rights.

### Important Note - Events Beyond Our Control

Events beyond our control include but are not limited to: war, threat of war, riots, civil disturbances, terrorist activity and its consequences, industrial disputes, any failure to secure relevant flying rights, natural and nuclear disasters, fire, epidemics, health risks and pandemics, unavoidable and unforeseeable technical problems with transport for reasons beyond our control or that of our suppliers, closed or congested airports or ports, hurricanes and other actual or potential severe weather conditions, and any other similar events.

In February 2005 a new Europe-wide law relating to denied boarding, delays and cancellation of flights came into force. This law granted rights to passengers including in certain circumstances the right to cancel their flight and receive reimbursement of the cost of the flight from their airline. Full details of these rights is published at EU airports and is also available from affected airlines. You should note that reimbursement of the cost of a flight that forms part of your holiday is the responsibility of your airline and will not automatically entitle you to reimbursement of the cost of your holiday from us.

### 5. What Happens To Holiday Complaints

We can usually sort out any complaints you may have. But if we cannot agree, you can use ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute and available from [www.abta.com](http://www.abta.com). If you made your booking online you can also access the European Commission Online Dispute (ODR) Resolution platform at <http://ec.europa.eu/consumers/odr/>.

## YOUR FINANCIAL PROTECTION

When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate, or a suitable alternative. In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative, at no extra cost to you. You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme, or your credit card issuer where applicable. If we, or the suppliers identified on your ATOL Certificate, are unable to provide the services listed - or a suitable alternative, through an alternative ATOL holder or otherwise - for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to - or confer a benefit on - you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent, or your credit card issuer where applicable. You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

All money accepted from you by a travel agent acting as our agent is held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times, but subject to the agent's obligation to pay it to us for so long as we do not fail. If we do fail, any money held at that time by the agent, or subsequently accepted from you by the agent, is and continues to be held by that agent on behalf of and for the benefits of the Trustees of the Air Travel Trust without any obligation to pay that money to us.

The Package Travel, Package Holidays and Package Tours Regulations 1992 require us to provide security for the monies that you pay for the package holidays booked from us and for your repatriation in the event of our insolvency. We provide this security by way of an ATOL, number 2524, administered by the Civil Aviation Authority and a bond held by ABTA for packages that do not include flights.

### 6. Our Responsibility For Your Holiday

We will arrange for you to receive the services that make up the holiday that you choose and that we confirm. These services will be provided either directly by us or through independent suppliers contracted by us. Except where we are a Booking Agent we are responsible for making sure that each part of the holiday you book with us is provided to a reasonable standard and as advertised by us, or as changed and accepted by you. If any part of your holiday is not provided as described and this spoils your holiday, we will pay you compensation, if appropriate, unless this is due to reasons beyond our control. See 'Important Note - Events Beyond Our Control'. We have taken all reasonable care to make sure that all the services which make up your holiday advertised by us are provided by efficient and reputable businesses. These businesses should follow local standards. However, overseas safety standards are generally lower than in the UK, for example few hotels yet meet EC fire safety recommendations even in Europe.

### 7. Personal Injury

If you suffer injury, illness or death directly as a result of the services provided as part of your holiday, we may make a payment to you. We will not make any payment if your injury, illness or death was caused by an event or circumstances which the person who caused it could not have predicted or avoided even if they had taken all necessary and due care. We will not make any payment if your illness, injury or death was your own fault. If we do make a payment, it will be similar to one you would receive under English law in an English court.

We will make such payments for injury, illness or death on the basis you are expected to accept

1. You must tell us and the supplier involved about your injury or illness and complete a report form while you are in the resort - see section 13. You should also write to our After Travel Customer Support at the address given in our A-Z Guide about your claim within 3 months of coming home from your holiday to allow us to investigate it properly and co-operate with us so as to enable us to carry out such investigation. Please include a letter about your injury or illness from your doctor.
2. You should transfer to us any rights you have against the supplier or any other person.
3. You should co-operate fully with us if we or our insurers want to enforce those rights.
4. Any payments we make may be limited in accordance with international conventions.

We ask you to transfer your rights to us so that we can claim back from suppliers any payments we make to you, plus any legal or other costs. We will not make a profit from this. If we get back from the supplier more than we have paid you plus these costs, we will give the extra money to you.

If you or someone on your holiday booking is injured, falls ill or dies while taking part in an activity which is not part of the holiday, or you need to incur unpredictable extra expenses for which we are not liable because the event is beyond our control - see 'Important Note - Events Beyond Our Control' - we will, where appropriate and subject to our discretion, try to help if we can. We may help everyone on your holiday booking up to a total cost to us of £5,000 provided the following conditions are met.

1. You must ask us for help within three months of coming back from holiday.
2. You must make a claim under your insurance policy's legal expenses or other appropriate section. You must show us proof that your insurance company has received your claim and, if you get back the cost of legal or other expenses, you must repay us any money we have spent in helping you.

## 8. Excursions

From time to time we may introduce you to reputable third party suppliers of excursions or other leisure services. If you choose to enter into a contract for the provision of excursions or other leisure services, your contract will be with that supplier directly and we act only in the capacity of an agent, and therefore would have no liability for the proper performance of that contract.

The terms and conditions in this "Our Agreement With You" will not apply to any contract for the provision of excursions or other leisure services.

## Your Agreement With Us

### 9. Your Contract

By asking us or your travel agent to confirm your booking, you are accepting on behalf of all persons travelling on this booking that the terms of this Agreement, which incorporate the information, restrictions and obligations set out in our A-Z Guide, and the conditions of any terms and conditions of carriage - see Conditions of Your Ticket - constitute the entire agreement between us with regard to your booking and your travel arrangements. You also consent to our processing personal information about you and other members of your party. Where the context permits, reference to "you" and "your" will include you and all persons travelling on this booking. Your contract with us shall be governed by and construed in accordance with the law of England and Wales. You agree to submit to the exclusive jurisdiction of the courts of England and Wales over any claim or matter arising under or in connection with your contract with us. You may however choose to submit to the law and jurisdiction of Scotland or Northern Ireland if you are resident in either of these jurisdictions but not to any other law and/or jurisdiction.

It is a condition of booking that you and all members of your party provide certain information that may be sent to governmental authorities and border control and security agencies for the purpose of security and counter terrorism. This is known as Advanced Passenger Information, sometimes known as APIS. In the US this may be referred to as Secure Flight and applies for flights to and from the US plus certain flights that overfly the US. The information you must provide will include, but not be limited to, full name - as shown in your passport or travel document, gender, date of birth, travel document type, number, country of issue and expiry date, and for travel to the United States, your country of residence and the address for your first night's stay. You must provide this information to the airline between 6 months and 24 hours before departure, or between 6 months and 3 days before departure if you're going to the United States, Mexico or Jamaica. For TUI Airways flights you can do this by visiting <http://eapi.tui.co.uk> or by calling 0203 451 2706. Calls from UK landlines cost the standard rate, but from mobiles may be higher. Check with your network provider.

It is your responsibility to comply with all passport, visa and other immigration requirements. Your passport and travel documents must be intact; you may be refused travel if they are damaged or have been tampered with. We do not accept any responsibility if you cannot travel because you have not complied with these requirements.

### 10. Paying For Your Travel Arrangements

You will be required to pay a deposit to us for each person when you book unless this is within 12 weeks of departure when the full amount for the booking is payable. The deposit amount will be specified by us or your travel agent when your booking is made. If it is not specified then it will be the amount that we ask you to pay when you book, even if this is 100% of the holiday price. If you pay less than the deposit under a low deposit booking scheme, then this is only part of the deposit referred to in this paragraph. The remaining deposit will be due on cancellation or date specified at time of booking or on your confirmation invoice. Please note your booking deposit may be increased or there may be a charge payable for some accommodation, holidays or flight bookings where it is necessary to secure specific facilities with full payment at the time of booking e.g. weddings, coach touring and specific types of airline tickets. Once confirmed, the booking deposit, additional charges paid and insurance premiums will not be refunded in the event of cancellation except in the circumstances specified in Sections 2, 3 or 4 or as otherwise required by law. This is your only commitment until 12 weeks before you go. Within 2 weeks of booking, we will send you a Confirmation Invoice showing how much you owe us. You must pay the amount on the last Invoice issued by us at least 12 weeks before you go on holiday. If you don't, we reserve the right to treat your booking as cancelled and to charge you a cancellation charge, in accordance with section 12.

If you pay money for your booking to a travel agent appointed by us, they will hold that money as our agent from the time they receive it until they pay the money to us. Telephone bookings may incur an additional charge, check at time of booking. We do not accept personal cheques, only building society and bankers' drafts will be accepted. If you pay by direct debit we will provide you with a confirmation setting out the payment amounts and due dates by which these payments will be made by you and full payment will be required by 14 weeks before you go on holiday. In the event of two failed attempts to collect any direct debit payment we will cancel the direct debit mandate and you will be required to make payment by another method as detailed above.

### 11. If You Change Your Booking

1. You must ensure all names and details are entered correctly at the time of booking. You will receive an invoice once your booking is confirmed and must contact us straight away if there is something that you need to correct, or if you don't receive an invoice within 7 days of confirming your booking.
2. Subject to Section 11.4, you may transfer your booking to another person, providing the following conditions are met:
  - You authorise the change in writing
  - The new lead passenger accepts the transfer and the terms of Our Agreement
  - That person complies with the terms of the existing booking
  - That person has valid holiday insurance - you cannot transfer your holiday insurance to the new lead passenger.
 We'll charge amendment fees to change a name on a booking outside 14 days to departure; these will be added to the new invoice. The new lead passenger, and you should they fail to pay, will be responsible for the payment of any balance due on that new invoice.
3. We charge an 'Amendment Fee' for each detail of your booking we allow you to change, see guide to our amendment fees table below. Please note that more major changes, including but not limited to, travelling later than planned, changes which lower the basic price of your holiday, and changes which result in your holiday ceasing to be a Package Holiday will be treated as a cancellation and incur the appropriate charges in line with Section 12.
4. Please bear in mind that certain airlines and other transport providers treat changes as a cancellation and charge accordingly, up to 100% of the cost for that part of the arrangement. Where applicable these charges will be passed on to you.
5. When changing your holiday details, the price of your new travel arrangements will be based on the price that applies on the day you make the change. These prices may not be the same as when you first made your booking. Some accommodation is priced according to the number of people staying there. If your party size changes, we'll recalculate your booking cost based on the new number of people going. If fewer people share the accommodation, then the cost per person may go up. This extra cost isn't a cancellation charge, and it isn't normally covered by insurance.
6. Some arrangements cannot be removed once they have been added to your booking. These include: transfers, flight options, children's activities, accommodation options such as room/board upgrades and late checkout rooms. Certain extras, such as excursions, theme park tickets and airport extras may be non-refundable. We will make this clear when you book those arrangements, please check with us if you are unsure at the time of booking. A £50 per booking charge will be applied if you cancel car hire insurance more than 14 days after the initial holiday booking.

## Guide To Our Amendment Fees

Change	Days Left to Departure		
	29+	28-15	14-0
Changes			
To change a name, passenger or passenger type	£50 per person		
To change accommodation, flight time, airport, duration and/or to travel earlier than planned*	£50 per person	90% of original cost	100% of original cost
To travel later than planned	Cancellation charges apply - see section 12		

\* please note there won't be any reduction in the price you pay, even if your new travel arrangements are cheaper than the original booking.

### 12. If You Cancel Your Booking

If you want to cancel your booking, or part of it, you must contact us as soon as possible. If you have made your booking through a Travel Agency, your agent must advise us of your request to cancel. Once your booking has been cancelled you can expect to receive a cancellation invoice within 14 days. If you don't please contact us. To cover the cost of processing your cancellation, and to compensate us for the risk that we may not be able to resell your travel arrangements, we'll make a cancellation charge on the scale shown below. You are responsible for paying this charge.

Your deposit is non-refundable, even if the cancellation charge calculated is lower than the deposit amount paid. Where extra facilities or transport options, see Sections 10 and 11.4, are non-refundable, in part or in full, the cost of these will be added to the cancellation charge you have to pay.

If you booked using a Low Deposit Offer, the full deposit amount stated on your confirmation invoice will need to be paid upon cancellation.

The cancellation charge may be higher for certain travel arrangements, such as coach tours or scheduled airfares.

Please ask for details of cancellation charges when you book and check your insurance policy to see if you'd be covered for the cost of any cancellation charges.

## Guide To Our Cancellation Charges

These charges are based on how many days before your booked departure we receive your cancellation notice, and are a percentage of the total cost of your booking, not including your insurance premium. If you want to cancel one or more passengers on the booking you'll have to pay a proportion of the applicable cancellation charge for those passengers.

Period before departure when notice of cancellation is received	% of total booking price
70 days or more	Loss of deposit
69-63 days	30%
62-49 days	50%
48-29 days	70%
28-15 days	90%
14-0 days	100%

### 13. If You Have A Complaint

If you have a complaint whilst away, you must immediately notify the supplier of the service in question (e.g. your hotelier) and our resort representative and complete a report form whilst in resort. If they are unable to resolve the problem, or a member of our staff is not available, you should contact us straight away by phone/fax/email and we will endeavour to assist. If you are still not satisfied on your return home, you must write to our After Travel Customer Support at the address given in our A-Z Guide, within 28 days of returning from your holiday to allow your complaint to be investigated properly. Please write your holiday reference number on your letter, and include all relevant information, as well as your daytime and evening telephone numbers. If you fail to follow this simple procedure we will have been deprived of the opportunity to investigate and rectify your complaint whilst you were in resort and this may affect your rights under this contract.

### 14. Online Check-in

You can check in online prior to departure if your flight is provided by TUI Airways. When checking in online you will be required to provide your advanced passenger information. Just so you know, if you choose not to use our online check-in service, we reserve the right to charge a fee for airport check-in.

### 15. Your Conduct

We reserve the right to refuse to accept you as a customer or continue dealing with you if we, or another person in authority, believe your behaviour is disruptive, causes unnecessary inconvenience, is threatening or abusive, you damage property, you upset, annoy, disturb, or put any other traveller or our staff or agents in the UK or resort in any risk or danger, on the telephone, in writing or in person. If the Captain of your flight or cruise ship or any of our resort staff or agents believes that you could be disruptive or that you are suffering from a contagious disease, they can also refuse to let you proceed with your travel arrangements, restrict your movements on board, disembark you from a ship or aircraft, or remove you from your accommodation or excursion. If you are disruptive and prevented from boarding your outbound flight in the UK, we will treat your booking as cancelled by you from that moment, and you will have to pay full cancellation charges (see section 12). If this occurs overseas then you will become responsible for your own return home and any other members of your group who cannot or will not travel without you. We will not be liable for any refund, or compensation or any costs or expenses you incur. If you are refused carriage because of your behaviour, or you are under the influence of alcohol or drugs, your airline may pass on your details and date of the refusal of carriage to other airlines for their information. This in turn may make it difficult for you to book other airline tickets. In any of these circumstances no refunds or compensation will be paid to you. As a result of your behaviour during any stage of your holiday including on an aircraft, transfer, in any accommodation, cruise or excursion, we reserve the right to make a claim against you for any damages, costs and expenses (including legal expenses) incurred as a result, including but not limited to (i) cleaning, repairing or replacing property lost, damaged or destroyed by you, (ii) compensating any passenger, crew, staff or agent affected by your actions and (iii) diverting the aircraft or cruise for the purpose of removing you. Criminal proceedings may also be instigated. For the purposes of this section reference to "you" or "your" includes any other person in your party.

### 16. Your Accommodation

Any accommodation we arrange for you must only be used by those people named on your Confirmation Invoice, or on latest Amendment Invoice issued. You are not allowed to share the accommodation or let anyone else stay there. You are responsible for the cost of any damage caused to your accommodation or its contents during your stay. These charges must be met by you and may have to be paid locally.

### 17. The Conditions Of Your Ticket

When you travel by air or by sea, your journey may be subject to certain international conventions such as the Warsaw Convention, Montreal Convention or Athens Convention. You agree that the transport company's own 'Conditions of Carriage' will apply to you on that journey. When arranging this transportation for you, we rely on the terms and conditions contained within these international conventions and those 'Conditions of Carriage'. You acknowledge that all of these terms and conditions form part of your contract with us as well as with the transport company. You can ask us or the travel agent booking your holiday to provide you with a copy of any of the conditions applicable to your journey. The airline's terms and conditions are available on request and the cruise conditions of carriage are available at [www.tui.co.uk/cruise](http://www.tui.co.uk/cruise). We will tell you the identity of the air carrier when you book with us and if it is not known at that time or subsequently changes we will inform you as soon as possible and no later than at check-in.

### 18. Contacting You

If you book via our website or have opted in other circumstances for us to contact you via e-mail, we will communicate with you using the e-mail address you have provided. For example, to provide your e-confirmation, e-ticket, e-cancellation, etc. We will assume that your e-mail address is correct and that you understand the risks associated with using this form of communication. You may still have to contact us via our call centre or in writing as required in our terms and conditions.
